we hear you

Any gripes, kudos, or ideas? Call 378-9136 to sound off.

Seems to me the cheap shot taken at Mrs. Pack, one of our planning commissioners, is just that. Who else can serve this "concrete city" of ours, but one who has expertise in the very thing that should be foremost in the rapid growth problem. My hat's off to you Mrs. Pack; your efforts are worth fighting for.

BABE UP IN ARMS

When will the skateboard parks be open in Campbell?

SAN JOSE SKATEBOARDER

Editor's note: Winchester Skateboard Park, on Winchester near Hacienda will be open in late November or early December while Campbell Skateboard Park, on S. Bascom ave. near Campbell ave. is slated for a Dec. 15 opening.

I've heard those skateboard parks will be open till midnight during the week and until 2 a.m. on weekends? I thought there was a curfew law in this city?

NO FAN

Editor's note: Neither park is planning those hours, according to spokesmen. Campbell Skateboard Park will be open until 10 p.m. on weekdays and midnight on weekends, if possible, according to Mike Phelan. Winchester Skateboard Park will be open until 10 p.m. both weekdays and weekends, Michael Martinez says.

The city built the loop streets to speed traffic through town. Right? So why is the speed limit only 25 MPH?

R.A.H.

Editor's note: According to Project Engineer Dave Valkenaar, the city didn't build the streets to "speed" traffic through town but to make it easier for traffic to flow. The 25 MPH limit is due to cross traffic and to other conflicts (such as a blind corner) that motorists may or may not be aware of as they're driving.

Some time ago I read about work planned for Los Gatos Creek Park and I just want to know when the par course will be installed.

A JOGGER

Editor's note: According to Engineering Manager Bill Helms the city hopes to go to bid on Phase II of the park improvements before the end of the year. One of those improvements will be a 15-station exercise (par) course at a cost of $14,500 which will stretch from the Campbell Park entrance down to Camden, across the creek and back up the other side. According to Helms, completion of that project will depend on the weather but you'll have the exercise course to use next spring at the latest.

SOUND OFF

'78 election may include a bond issue

Four city offices are up for election in March and that city-wide election could also include a bond issue to pay for a new fire station.

The cesision of whether or not to call for a bond election must be decided by the City Council on or before Nov. 28 when they adopt the resolution setting the election.

That's just one of the questions the Council must answer in the next month as they review the master plan submitted recently by Fire Chief Gene Borden. That plan calls for three stations, including two small satelite facilities, to serve this city.

A cost estimate for the third station will be submitted to the City Council at their Nov. 14 meeting.

The terms of Mayor Bill Podgorsek and Councilman Ralph Doetsch expire next year, along with those of City Treasurer Nadine Sargent and City Clerk Phyllis Acker.

The Clerk and Treasurer will be facing voters for the first time next year. Sargent was appointed to replace Velma Olds who resigned in 1976 and Acker took over the clerk's post in August, replacing Dorothy Trevethan who retired.

Both city councilmen indicated last week they haven't decided yet whether they plan to seek reelection.

Nomination papers for these four city offices will be available in early December at City Hall, 75 N. Central ave.

HCD proposals

How to spend $400,000

A SENIOR CITIZEN or neighborhood center and undergrounding utilities along parts of Campbell avenue are two possible projects to be funded out of next year's federal Housing and Community Development (HCD) funds.

At the last council session HCD Coordinator Thom McCue unveiled a draft list of eight items to be discussed this week at three community meetings (see related article). Residents will be asked how they want the $400,000 to $500,000 in funding to be spent.

Also suggested was a street lighting project, widening of the Hamilton ave. — Highway 17 bridge, land banking for open space or neighborhood center use, historic preservation and street widening of Winchester near Latimer ave.

A final possibility, making water main improvements in the El Patio-Dillon-Gilman area at a price tag of $78,000, prompted a comment from Councilman Rusty Hammer.

"How can federal funds be used to improve private water company equipment?," Hammer asked. The Coordinator acknowledged this might be a problem and said he's look into it.

THAT AREA JUST east of the railroad tracks in downtown Campbell is served by 2 inch water pipes owned by the Campbell Water Company. The pipes were installed long before that part of town developed. In recent years residents of the El Patio area have complained about the lack of water pressure.

Developers who plan to build single family homes on a large parcel behind the El Patio area will be installing 8 inch mains to serve that area. The 2 inch mains would be hooked up to that improved line.

Loca seniors turned out in force to show support for the proposed senior-neighborhood center last Monday night. McCue estimated the cost for that project would range from $150,000 to $700,000, exclusive of land costs.

Speaking in favor of a senior center to house the several local groups was Brent Evans, chairman of the Senior Coordinating Committee.

"THERE IS NOW a long history of efforts within the city to obtain a place for seniors to meet," Evans said.

Ken Podgorsek, chairman of the Youth Advisory Commission, told the Council his group favors a community center that would benefit all members of the community. Podgorsek added he feels a central meeting place for youth is needed.

In answer to a question by Mayor Bill Podgorsek (Ken's father), Evans said a center for seniors and youth was not what the senior groups had in mind when they made their proposal. "But we would be willing to discuss it," Evans added.

Other projects listed and their estimated cost include;

- Underground utilities on Campbell ave. (Winchester to Third st. and from the railroad tracks to Poplar ave.), $400,000. If funded this project would be done in conjunction with a downtown Campbell ave. project to be funded out of the city's credits with PG&E.

- **STREET LIGHTING,** $500 to $1,000 per light. No specific areas were listed.
- Hamilton-Highway 17 bridge, $55,000.
- Street project (Winchester near Latimer), $55,000.
- Land banking, $16,000 to 80,000 per acre.
- Historic preservation, no estimate.

The purpose of HCD funding, which will bring Campbell between $1.2 and $1.5 million in the next three years, is to aid the low and moderate income populations. Housing, environment and expanding economic opportunities are some of the ways funds can be used. New federal regulations mandate eligible projects must provide "at least 51 per cent" of its benefits to households below 80 per cent of the county median income.

The way to meet these requirements and still provide a city-wide project (a community center, for example) is to "target" its location in a low or moderate income area.

OVER THE PAST three years Campbell has allocated close to $800,000 in HCD funds. Projects included housing rehabilitation, street improvements, park improvements, street lighting and curb cuts and wheelchair ramps.

At community meetings set up next week in local schools residents can give their opinions on any of the suggestions already made or can bring up new ideas for discussion.

On November 14 city council session officials will review proposed projects, including suggestions from the neighborhood meetings, and select projects for funding. Staff must complete the application and submit it to the Council at the Nov. 28 meeting for final approval.

Adding your 2 cents worth

The first community meeting on Campbell's Housing and Community Development program will be held Monday, Nov. 7 at 7:30 p.m. at Dover School, 1300 Sheffield ave. Two other neighborhood gatherings are set for Tuesday, Nov. 8 at San Tomas School, 1510 Hacienda ave., and Wednesday, Nov. 9 at Campbell High School, 1 W. Campbell ave. All sessions start at 7:30 p.m.

In addition to suggestions already proposed for the $400,000 to $500,000 to be received next year, residents are encouraged to bring up other ideas. (See related article for proposals).

Campbell's rainfall report is rosy

The last rose of summer graced many gardens last week as the clouds opened up to dump .10 inches of rain on Campbell. As of Monday, Oct. 31 the season total to date was .95 inches. Normal to date is .95 inches too so "we're normal so far," says Bob James of the Campbell Water Company. If this sounds encouraging remember that last year on Oct. 31 we had 1.80 inches of moisture.

College is close to goals

Overall the West Valley Joint College District has met its affirmative action goals, college trustees were told recently.

In a report presented Oct. 20, trustees learned in most areas they've reached or almost reached the latest goals set down in 1974.

Since that time the size of the district's staff has increased by 36.6 per cent while women staffers rose by 51.8 per cent and minorities increased by 200 per cent.

One area that still needs improvement, trustees learned, was in the total percentage of minorities in certificated positions.

Countywide 20.4 per cent of the work force is made up of ethnic minorities while the college's certificated minority staff is only 10.4 per cent. The report noted that this percentage is close to the 13.4 per cent ethnic population residing within the district.

Campbell high carnival is set

Giant rides and colorful booths are being erected on the Campbell High School parking lot for the annual PTSA carnival which gets underway this Friday, Nov. 4 at 3 p.m. Saturday and Sunday hours are 10 a.m. to 10 p.m.

Butler Amusements is again supplying the rides and food and game booths will be manned by school club and PTSA members.

Pre-carnival tickets, at 5 for $1, are available at the high school through Friday's lunch hour. Once the carnival gets underway tickets sell for 35 cents each.

Proceeds will be used to support school projects.

BUTLER AMUSEMENTS
NOV. 4 thru 6

ALL set for the Campbell High School carnival this weekend is, from left, Ron Clancey, PTSA vice president, and Lloyd Gillespie, director of student activities. The three-day event gets underway Friday at 3 p.m. in the school parking lot.

School plans a special plaque

The staff at Forest Hill School has started a drive to honor the late Fred "Pete" Peterson, who served as principal there for eight years before being promoted to the district office.

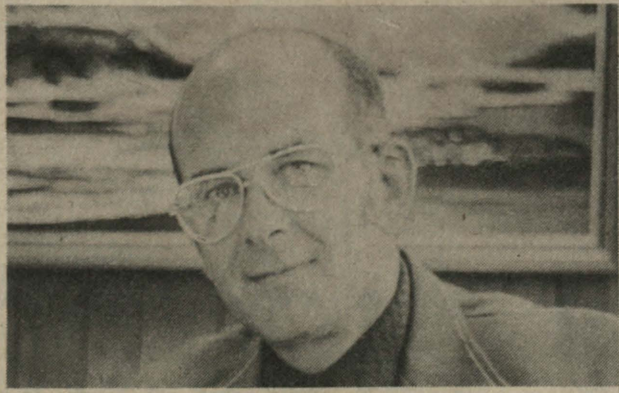
Peterson, 45, died suddenly Sept. 8. At the time of his death Peterson was serving as superintendent of the River Delta Joint Unified School District.

The faculty is having a permanent plaque made in his honor and plan to have it placed near the colorful mosaic in front of the school. That student art work was a special project of "Pete", the PTA and Forest Hill students in 1969.

During his 22 years with the Campbell elementary school district Peterson served as teacher, principal and administrator. His last post locally was that of deputy superintendent.

Former students and friends of Peterson are invited to send donations to help pay for the plaque. Any funds collected above the cost of the plaque will be sent to the former educator's memorial scholarship fund in Rio Vista.

Donations can be sent to Forest Hill School, 4450 McCoy ave., San Jose, 95130 prior to Nov. 15.



FRED O. (PETE) PETERSON

in memoriam

DEE ANN LOGAN

Funeral services were held Saturday for Dee Ann Logan, 11 months, of Campbell who died October 27 at Good Samaritan hospital. The cuase of the infant's death has not been determined.

Surviving are her parents, Ron and Valerie Logan of Campbell and grandparents Hoyt and Lorraine Logan and Maelon and Barbara Wagner, all of Los Gatos.

Oak Hill Memorial Chapel handled the arrangements.

Burial was in Oak Hill Memorial Park.

City report

Seven possible spots for a senior center

IF CAMPBELL ACQUIRES a center for its senior citizens, it could be the busiest building in town. And the price tag would range from $150,000 to $700,000, not counting land costs.

A report presented to city councilmen last week shows there are four active senior groups in town now, not counting the special activities sponsored by the City, County and West Valley College.

The five-page report was compiled at the request of the City Council and includes a chart showing senior or neighborhood facilities located or planned in other cities. The possible use of federal Housing and Community Development (HCD) funds for a senior center in Campbell is being considered.

Eight other cities in the county have used HCD funds for either construction or renovation of senior-neighborhood centers. Costs, in these cities, range from $1 million for the Palo Alto Senior Center to minimal cost for the Saratoga center which was completed with donated labor and materials.

FOR MONTHS representatives of local groups have pushed for a center of their own. They city-sponsored Senior Nutrition Site offers programs and hot lunches weekdays for 70 seniors in rented facilities at the Orchard City Grange Hall. Campbell Senior Social Club members meet twice monthly in the Community Room of the Campbell library and the Emeritus Club uses church facilities. Campbell Progressive Seniors pay nominal rent for building at 41 W. Rincon ave. owned by St. Lawrence Episcopal Church.

The Campbell Senior Coordinating Committee, made up of representatives of these groups, has called for some permanent facility to serve seniors on a daily basis.

In addition to construction and land costs, or renovation costs if an existing structure is used, a senior center will cost about $35,000 yearly for staff plus additional funds for utilities, furnishings and maintenance.

The report also listed several possible sites for a center including city-owned property on the southwest corner of Campbell ave. at Dot, John D. Morgan Park and the Central ave. fire station (when a new station is constructed).

EXISTING BUILDINGS that could be converted for use include the vacant Hamilton School site, the parcel adjacent to Morgan Park and the old Campbell grammar school site at Winchester and Campbell ave. No estimates were given for renovation costs for those possible locations and two, Hamilton and Campbell schools, are under Campbell elementary school district control.

Another possible option for the City is to build a center in conjunction with the 200-unit senior citizen housing development planned by the County Housing Authority. That county agency, which received federal funding of $10.3 million for the project, has indicated they'd be willing to work with Campbell on a joint residential-center development.

Housing Coordinator Thom McCue told councilmen local needs indicate a center of 3,685 square feet or larger should be considered for Campbell. If a neighborhood-community center is constructed, McCue said, a larger facility and more staffing would be required.

Under HCD regulations a city-wide community center cannot be built with federal funds unless it is located in an area designed to serve low income residents. One area of the city should qualify, McCue reported. That's the area south of Hamilton ave. between Highway 17 and the San Tomas Expressway.

OFFSETTING OPERATING costs to the City, if a center is constructed, would be the $440 per month Campbell now pays to rent the Grange Hall for the nutrition program.

If Campbell does opt to build a city-sponsored center, they won't be alone. The report indicates Cupertino, Gilroy, Los Gatos, Milpitas, Morgan Hill, Palo Alto, San Jose and Santa Clara already have facilities.

Master plan is on its way to the to the state level

By JIM PARKER

THERE WILL BE better educational services for local deaf, blind, mentally retarded and physically handicapped students, according to a report to the Campbell Union High School District Board of Trustees meeting last Tuesday night.

The report, by Assistant Superintendant, Jay Russell, and Arta Jo Chambers, supervisor of special education, outlined preliminary proposals submitted to Sacramento. The proposals are part of a "Master Plan" mandated by public law 94-142. Under the law each school district in the nation must submit plans on how to better serve students with disabilities.

The guiding philosophy behind Campbells' proposals, according to Russell, is to "meet students needs without special schools." As a result, the district has adopted a program for "mainstreaming" deaf, blind, physically handicapped and sometimes mentally retarded students into regular classes wherever possible.

CHAMBERS TOLD the board that under the program each student with a disability will have an Individualized Education Program (IEP) developed by the teacher, counsellor and the student's parents. According to Chambers, the fact the parents are also involved has been a definite plus for the program, with improved communication.

The program will have some additional costs, Chambers said, but it was her opinion that the program would eventually pay for itself in the form of more independent citizens. There is no price tag yet, but she did say there would be some financial help from the state once the district proposals have been approved.

According to Chambers, nearly 600 students will be effected by the program. So far each student has had an IEP developed and implementation is underway.

Chambers and Russell promised the board progress reports once they receive word from the state.

News briefs

CHAMBER MEETING

The Campbell Chamber of Commerce will hold a recognition and planning meeting on Thursday, Nov. 10 at Renzo's restaurant, 1700 W. Campbell ave. at noon.

Future programs will be discussed and winners of the 440 Membership Campaign will be announced.

For luncheon reservations call 378-6252.

VACCINE AVAILABLE

Flu vaccine is being given every Thursday from 1:30 to 3 p.m. at the Central Health Department, 2220 Moorpark ave., San Jose. A second immunization clinic, sponsored by the county health department, is also open every first and third Monday from 1:30 to 3 p.m. at the Los Gatos Health Office, 641 University ave., Los Gatos.

COPING IN THE CLASSROOM

Russ Beale of the Center for Human Communication will speak on "Coping with Classroom Behavior, from Obedient Angels to Disruptive Zealots," at the Saturday, Nov. 5 meeting of the Santa Clara County Substitute Teachers Association.

The meeting starts at 9:30 a.m. in the Community Room of the Campbell public library 70 N. Central ave.

The meeting is open to the public without charge. Anyone who works with children is particularly invited to attend.

BOTTLE BILL PETITIONS

A group of interested citizens met locally last Thursday to plan strategy for getting a Bottle Bill initiative on sday to plan strategy for getting a Bottle Bill initiative on the state ballot next November.

Such an initiative would place a 5 cent deposit on all beverage containers sold in California, bottles or cans.

Volunteers are being sought to help gather signatures on petitions calling for the initiative.

Call Donna Manjarrez at 379-5384 for more information.

So far Michigan, Oregon, Vermont, South Dakota and Maine have passed similar laws.

SUPPORTING GOOD BEHAVIOR

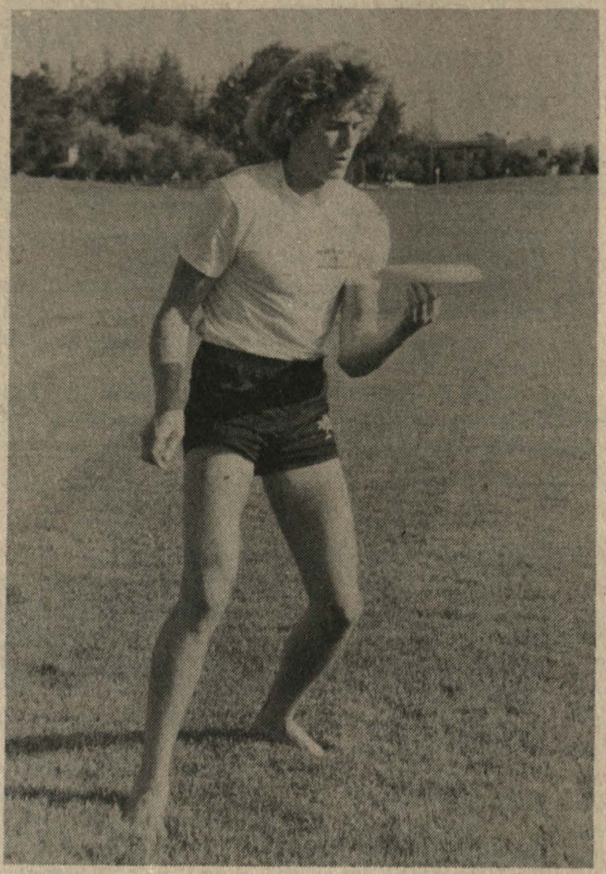
Effective Parenting, positive methods of supporting good behavior in your children, is the topic of a series of enrichment seminars being sponsored by West Valley College. For enrollment information call 867-2200, ext. 407.

STATE HEARING IN SAN JOSE

New regulations that would guarantee access to buildings by the physically handicapped will be under discussion at a meeting of the state Department of Rehabilitation set for Tuesday, Nov 15 in San Jose, The session begins at 10 a.m. in the County Administration Building, 155 Berger drive, San Jose.

Public comment is encouraged during the session by handicapped persons, building officials, architects, developers and the general public.

If approved, the new state regulations would insure access in the areas of apartment housing, employment, recreation and education.



Spinning their way to the top

Frisbee is going big time and two local youths are practicing 3 to 4 hours daily to make sure they get a crack at some of the big championship purses coming up. Like the nationals set for Santa Barbara next year with $15,000 in prize money; $2,000 alone to the top winners.

Jeff Rymer, 17, left, and Don Hart, 18, right, are both seniors at Campbell High School and recently came away with first place in free style at Campbell's first Frisbee Contest.

Such maneuvers as the old nail delay, arm role, back pick-up and toe roll into a waist roll dazzled both judges and spectators.

The sport of Frisbee has come a long way since the early days when you could feel good about managing to catch the whirling, saucer-shaped, plastic disk at 50 feet . . . on the run.

To compete today you still have to catch it but you'd better have a dazzling style such as Rymer, who reaches under his legs and picks up the disk 2 inches off the ground. Or Hart's head catch, keeping the Frisbee whirling as he takes it into an arm role.

For those in the know about Frisbee we can tell you the two use either world class or super pro disks in competition. All weigh 119 grams.

And they don't use any aids such as thimbles or climps in competition either, as some do to help keep the disks spinning.

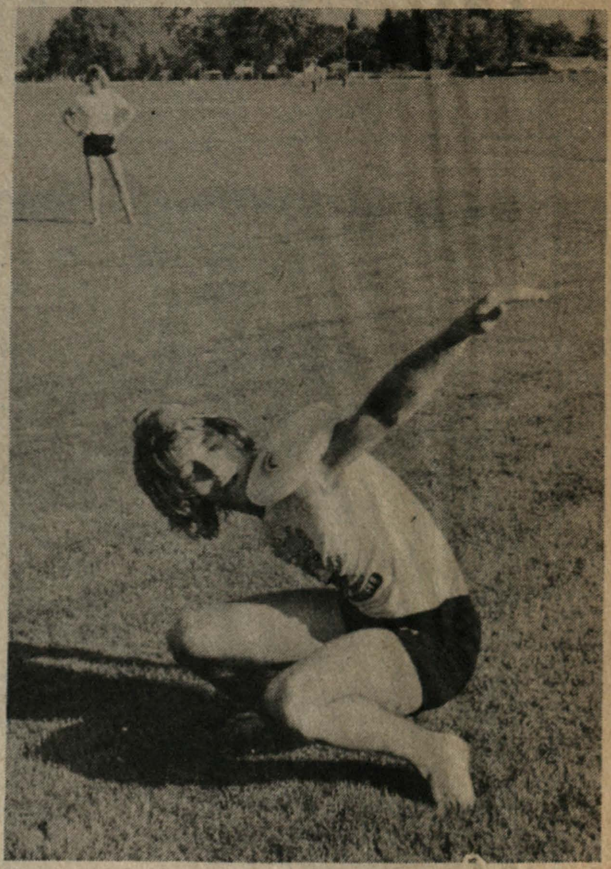
"They make it too simple," Rymer explained.

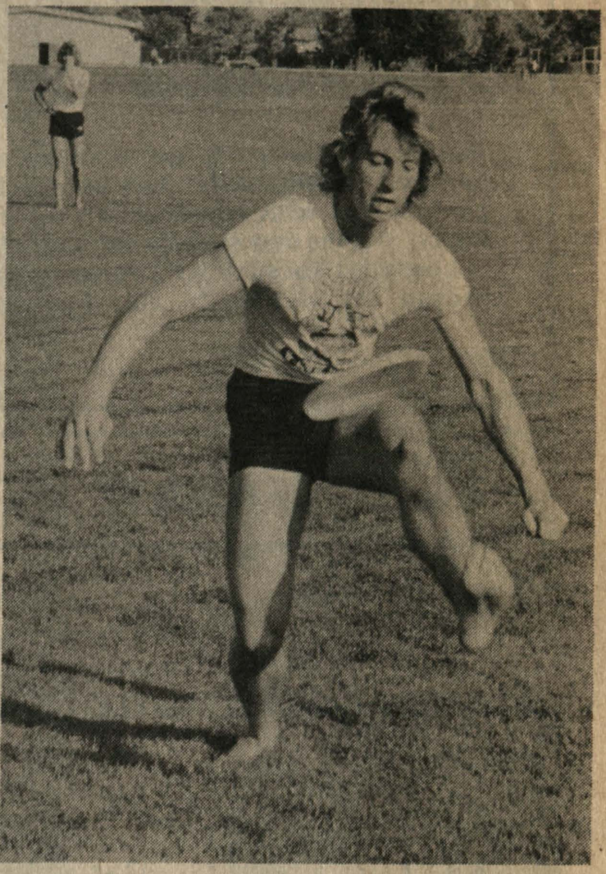
In addition to practicing the local duo are busy working out a routine to perform at half time at a West Valley College football game.

They're also planning to give demonstrations at local junior high schools and have been asked to perform for a Prospect High School P.E. class. The class is Frisbee . . . naturally.

They're also hoping to get a Frisbee Club together locally and anyone interested in joining can contact Jeff at 378-0312 or Don at 379-4160.

(Photography by Amy Huntoon)





El Patio drive

Plans move ahead for 57 unit residential project

AT LEAST ONE of the streets in an older section of Campbell will have to be improved by the city, whether or not a large residential development is built nearby, city councilmen were told last Monday night.

The impact of a 50 per cent traffic increase along the sub-standard streets of Page, El Patio and Poplar was one of the obstacles facing architect Paul Bosholm and his plans for a 57-unit single family development nearby.

Councilmen held a first reading on an ordinance to allow that development last week.

In earlier hearings before the Planning Commission the question of traffic was raised several times. One commissioner suggested Bosholm seek an additional railroad crossing between Page and Salmar to take care of additional cars.

BOLHOLM submitted a letter from Southern Pacific recently which explains they oppose any additional crossings. If the Public Utilities Commission were to allow a crossing, SP says, they'd ask for an overpass or underpass (A cost of $1 million would be a reasonable estimate for that type of by-pass route).

With an additional crossing out of the picture, staff took a look at other possible improvements.

Earlier, Engineering Manager Bill Helms said he feels the streets can handle that additional traffic. But he reported last week that all streets in the El Patio area are not up to city standards (40 feet from curb to curb).

Poplar, Hawthorne, Maple and part of Page st. are 34 feet wide, Helms reported, and Page st., south of Maple, narrows to 28 feet. This area was developed long before the city incorporated in 1952.

One possible remedy to the tight squeeze along parts of Page st., Helms says, is to restrict parking to one side of the street. Another is to improve that stretch of road.

WHAT MONEY will we (the city) have to put into those streets now because of the development, Councilman Rusty Hammer wanted to know.

"Regardless of the development," Helms said," the city would have to spend money on one end of Page."

As part of the development plan, Bosholm will be improving El Patio drive and has already agreed to a local improvement district for the surrounding area.

In other action last week the Council:

- Approved a contract with the Campbell Chamber of Commerce for $12,000 yearly in return for services to be performed including the Youth Employment Service, SHOP Campbell discount program for seniors, information services, community relations and commercial development assistance.
- **HEARD** A report from Public Works Director Joe Elliott on complaints about increased truck traffic on Third st. from the Hamilton Downs Homeowners Association. Elliott said a traffic circulation study will be made during the next three months.
- Held a final reading and adoption of a new ordinance setting a $100 business license fee per year for antique and estate auction galleries and setting a limit of two such businesses per 50,000 population within the city. Just one applicant has expressed interest in a auction business so far. Added to the new city ordinance Monday night was the stipulation that no advancing or loaning of funds for items to be auctioned will be allowed.

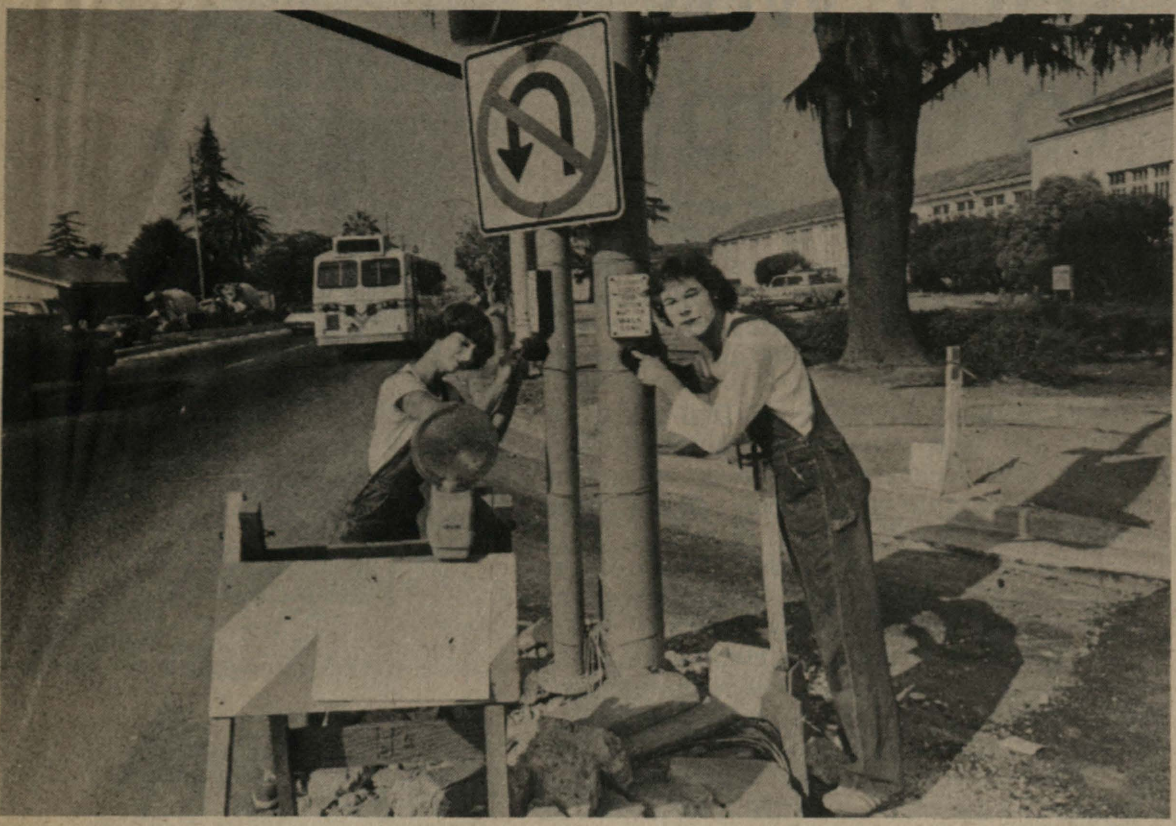
PRESS arena



Pushing the button to get across Campbell ave. at Winchester has been a little complicated with construction work going on. But the new signals were due to be in operation Tuesday with removal of the second set of signals (in the street) planned for today or tomorrow. Another impression brought to you by The Silent Company mime troupe.

BUS STOP
HE'S SLOWER THAN A BUS, BUT MORE RELIABLE...
Post 77

our readers write

Tired of spiraling taxes

EDITOR:

Most of us have received our new property tax bills. Again the bill has increased for most of us. Throughout 1977 we were promised by our legislators that relief was coming. Now, at the end of the legislative session, we again have had no relief.

We, the citizens and property owners of California, are angry. We are tired of the spiraling increases of our taxes.

Perhaps our representatives don't feel the crunch as we do. After all, they do get their pay raises.

Unfortunately, I am not so lucky. Being self-employed, I can only get a raise if my profits increase substantially.

We are doing something about this uncontrolled taxation. There is a property tax limit initiative being circulated throughout California. It is entitled the "Statewide People's Petition to Control Taxation," authored by Howard Jarvis and Paul Gann.

Anyone interested in circulating or signing this petition should contact United Taxpayers, Inc., of Santa Clara County. The phone number is 292-6563.

If you don't make an effort to support this initiative, then perhaps you deserve what befalls you.

Roberta Allen, President;
United Taxpayers, Inc.

We hear you

(Con't. from pg. 1)

Do you have any idea how long you have to wait for buses around here? God forbid if it was freezing outside. The buses would have to pick up icicles instead of people. On Winchester the buses are suppose to run every half hour but it's more like an hour. And I see buses going the other way all the time but they don't come back. I think they break down before they get back. This is the worst city I've ever seen for bus service. I'd be better off using roller skates.

BUS STOP BILL

Couldn't traffic signals be installed at Sunnyoaks and Winchester? The place where those people say they're worried about having a (day care center) because of traffic.

IDEA WOMAN

Editor's note: It's possible but one problem is the nearby off ramp from the San Tomas Expressway. Another is the cost; an estimated $75,000 to $80,000 for that intersection.

Why hasn't the city of Campbell landscaped along Winchester boulevard south of San Tomas expressway? It's a noisy, ugly mess.

MOTHER NATURE

Editor's note: That undeveloped area on the west side of Winchester is within the South Pacific right of way, according to Engineering Manager Bill Helms. The city has been trying to promote some landscaping along that area with SP for some time, Helms added, but so far while they haven't been turned down, they haven't gotten any encouragement either. You might try writing to the railroal headquarters in San Francisco yourself. It couldn't hurt.

For two weeks now you've run my picture on the sports page but with someone else's name. Could you get it straightened out?

DEL MAR STUDENT

Editor's note: Thank you for bringing this to our attention. The problem here is the fact that you switched jerseys with another player and our sports department uses the team roster to match numbers and names. Sports Editor Dick Sparrer asks that any other changes be reported to him at 262-2454 so we can keep our records up to date. By the way, in some schools the problem is that players will switch jerseys (and numbers) for one game just for fun. That makes it impossible to get the correct identification for a picture.

It's me again. The person who called and complained about the cars not stopping for pedestrians. Things haven't gotten better. Yesterday I saw an old woman who just froze out in the middle of Winchester boulevard (at Rincon). She had to wait 5 or 6 minutes to get across and was scared to death. I have a heart condition or I would have rescued her. We need a crackdown on motorists not stopping for people in crosswalks. The young drivers are the worst, I think. Just sign me . . .

MR. COMPLAINING

Editor's note: According to Capt. John Butler of the Campbell Police Department his men always write tickets when they observe a violation. He agrees the problem you cite is a common one. "We are enforcing the law and we'll keep enforcing it," Butler said. While all the major streets are a problem Butler says he'll direct officers to patrol the areas along Winchester blvd. that you cited (a six block area) more intensively if they can.

Do we have any buses for seniors in Campbell? I can't walk too well.

CURIOUS

Editor's note: Yes. The Campbell Progressive Senior Center, 41 W. Rincon ave. provides bus service for shopping trips and doctor's appointments for local seniors. Call 378-5323 for more information.

A couple of weeks ago you mentioned a special tax these senior citizen developments would be paying instead of property tax. But you didn't say how much. At least two of the developments won't have to pay any taxes at all and I think it'll cost us a pretty penny to support them with police and fire protection.

TAXPAYER

Editor's note: I don't have any specifics on Wesley Manor, the 158-unit, 12 story complex to be built on Winchester blvd. But County Housing Authority Director John Burns says the in lieu taxes to be paid Campbell on the 200 units to be built here will be 10 per cent of the gross rents. Under the federally subsidized rent program seniors will pay an average of about $60 monthly so that means a $1,200 per month payment to Campbell for those services.

Any gripes, kudos, or ideas? Call 378-9136 to sound off.

An Affair to Remember
with
BEA RENÉ
© Bea Rene 1976

We're certainly fortunate, indeed, for the addition of the new **GIFU** restaurant in Cupertino — a charming bit of Japan. Owner/Mgr. Jerry lo takes pride in the authentic Japanese cuisine served by attractive costumed waitresses — you may also enjoy a different type of service & menu at the Sushi bar. The lounge & dining rooms overlook a beautiful Oriental pond & you'll be served some fine libations in the lounge. Do stop by.

Many people change their personalities, & so do restaurants . . . & I especially enjoy a restaurant who changes from one style of cooking to a completely more sophisticated gourmet style, which is just what has happened at **CLEMENTINES**. Here is a restaurant where you can enjoy fine Continental cuisine served by smartly costumed waitresses in an inviting, attractive decor. The Rack of Lamb is one of the best I've tasted, & the unique way of serving Escargot will completely revamp your ideas of ordering this delectable appetizer.

For a marvelous "South-of-the Border" dining affair, do visit the new **SENOR PEPE'S** in the new Oaks Shopping Center in Cupertino . . . this is located on Stevens Creek Blvd. & is simply delightful. It's architecturally perfectly designed, to transport you to an evening of true Mexican living. The tables are embedded w/authentic Mexican tiles, the wrought iron stairway & lovely archways are inspirational . . . the food is superb! I highly recommend you stop by **SENOR PEPE'S** (open 7 days a wk.), also Sun. Brunch 11-3 p.m. Hasta la vista!

You expect to pay more for dinner at places that provide dining by candlelight & romantic settings. Not at **SIRLOIN AND BREW UNLIMITED** (Saratoga & Belmont). Your waitress sets the mood by bringing a bottle of wine (or beer or sangria) which is incl., along w/refills, w/dinner. Then choose a perfectly-broiled steak or kabob, make your own gourmet salad w/several dressings. When you get the check, you won't flinch. Everything w/run from $4.79 ea. ($10 for 2 approx.). No wonder lovers-on-a-budget prefer these restaurants.

Lush greenery, wood-beamed ceilings, ultra-comfortable leather booths & rustic wooden tables all add to the enhancement of dining at the **BLACK KETTLE** restaurant (at the Factory in Campbell). If you wish, drinks can be served on the garden style terrace (two bars to serve you — upstairs & downstairs). Choose from many favorites: Roast Prime Rib, Cioppino, Lobster, Steamed Clams & elegant Old Fashioned Beef Stew which is very much like dining at home. Their salad bar is a delight featuring a wide selection of garden fr. vegs. & hot, hot bread.

The monthly luncheon meeting of the West Valley Welcome Wagon Club will be held at The Laundry Works, 87 N. San Pedro st., San Jose at noon, Thursday, Nov. 10.

Linda Jones will speak on how to preserve flowers for use in arrangements by using a Microwave oven.

RED CROSS MEETING

The Los Gatos-Saratoga chapter of the American Red Cross will discuss how to fill area blood needs at their Wednesday, Nov. 9 Community meeting at the Los Gatos Chapter House, 18011 Los Gatos-Saratoga road. Thee meeting starts at 7 p.m.

Blood donations at the monthly Bloodmobile are dropping while the need for blood is increasing, Red Cross spokesmen report.

Guest speaker will be Nancy Calcese, director of donor resources development.

Hospital act predicted to cut inflation

Capitol News Serivce

Hale Champion, undersecretary of the U.S. Department of Health, Education and Welfare, told medical professionals here during his national speaking tour the federal Hospital Cost Containment Act should keep medical inflation at less than nine per cent per year.

Medical cost inflation hit a record 15 per cent last year.

The reaction from medical professionals was generally negative.

Dr. Joseph F. Boyle, a trustee on the board of the American Medical Association and general practitioner from Los Angeles, said the cost-cutting measure would be a building block toward a national health insurance program similar to that in England where, he said, it takes at least three months to get a routine x-ray examination.

"When bureaucrats begin meddling," Boyle said, "the institutions you have are going to die."

Champion, however, insisted the proposed measures are reasonable and could be accomplished "without sacrificing quality."

The legislation essentially proposes to put a lid on federal spending for new hospitals and equipment. The money would be distributed to local health planning agencies, changing the emphasis, Champion said, to the prevention of disease rather than the treatment of it.

Champion pointed out that California is in serious need of health cost containment legislation, affirming that one fifth of all unused hospital beds are in California.

Hand crafted clocks and tole painting are just two of dozens of offerings at the Saturday, Nov. 5 Fall Festival of Arts and Crafts at the Cambrian Community Center, 2275 S. Bascom ave. Artists, from left, are Stu Davis and Karen Nakamatsu. The annual event will be held from 10 a.m. to 3 p.m. and is open to the public without charge. Included will be displays of jewelry, ceramics, photography, apple dolls and Christmas decorations. Home baked goodies and soft drinks will also be available. Performing at 1:30 p.m. that day will be the Caterpillar Puppets. For more information about the event call 377-2631. (Photography by Amy Huntoon)

FFA

Top post in county for local student

Taking the reins of the 700 member Santa Clara County Future Farmers of America organization last week was Kyle Stephens, 16, a junior at Campbell High School.

The local youth was elected to a one year term last Thursday and will be heading the group which represents FFA programs in 18 high schools in the county.

This is Kyle's third year in the agriculture program and his projects this year will be to raise two sheep and one pig for the county fair next August.

He is the son of Jack and Betty Stephens, 918 Scott court.

An honor student with a 4.0 grade average, Kyle's ambition is to attend California Polytechnic state university and the University of California at Davis to prepare for a career as a rural veterinarian.

Other county FFA officers elected last week include; Kelly Byrum, vice president, Gunderson High; Marie Dahl, secretary, Campbell High; Tom Ostrowski, treasurer, Los Gatos; Robin Hight, reporter, Gilroy and Steve Moffett, sentinel, Leland High.

KYLE STEPHENS

Take a close look at that Daffy Duck button-It may be a Ken Hegstrom design

THAT TWETTY Bird glass you brought home from Marriott's Great America recently could well have been designed by former Campbell High School student Ken Hegstrom, now knee deep in the commercial art business.

Since he made the change from a 9 to 5 job as a technical illustrator last year, the local amusement park is still a major source of income for Hegstrom Advertising Design.

The local man, who is a former art student at West Valley College, made the decision to go free lance after taking a look at co-workers; one in particular. This man had been with the Mt. View company for many years, Ken remembers, and will probably be there until he retires.

A former Campbell High art commissioner and art honorary art president, Ken decided he wanted more than security and a steady income from his work.

"I DECIDED if I was going to strike out on my own, it had better be now, before I have too many family obligations," he explained.

That decision was made just in time. He soon learned his wife, Sue, a former Campbell High classmate, was pregnant. They had counted on her income as a dancer at Great America to pay their bills until he could build up a clientele.

Their son, Kustin Lee, was born in July.

Right out of high school Ken signed up for the commercial art program at West Valley College.

At West Valley he became aware of the options available to people in the field of art and was able to perfect his technique. Since grade school he's thought of himself as a painter, turning out canvasses for people to admire. In college Ken discovered how much he enjoyed drawing cartoons, creating greeting cards and designing logos.

He went to a counselor and explained that he wanted to work as a commercial artist. Ken was put in touch with a graduate, Judith Mieger, who has her own calligraphy company. Now a good friend of his, she gives Ken jobs like designing restaurant menus, or sends him clients she thinks would like his style.

Former Campbell High student Ken Hegstrom didn't follow the path set out for him by his father. Instead of dentistry he chose commercial art. And today he's happy he made that choice. Ken moved to Campbell with his family from Idaho when he was 10. And even then, knew he wanted to be an artist. Today he plans to locate an office next door to his San Jose home and hopes to form a club for free lance artists in this area.

FRESH OUT of college, Ken went to work as a salesman for a plastics company. There he made many valuable contacts including Kack Nichols, art director at Great America.

An artist who wanted to try another field turned his accounts over to Ken, putting him in touch with companies like the pen manufacturer who needed someone to design packages for their products.

With this work to start him out, and an assignment to do a Daffy Duck button, Ken tried free-lancing for a couple of months before taking the job as a technical illustrator.

He wasn't as professional then, Ken says, but has since realized most of what he does is actually sales. . . getting someone interested in buying his art.

Business is better now, with several new clients.

"I don't have to hoof around so much," he declared.

KEN RECENTLY worked on a slide presentation for O'Connor Hospital, which was narrated by the late Bing Crosby.

He balances out long hours at the drafting table with a lot of physical activity such as bicycling, tennis, racquetball and golf. He was also in the karate club at West Valley College.

When time and finances permit, Ken would like to complete his education at a four-year college. Meanwhile he occasionally attends special lectures at West Valley and other schools.

"Art is a constant learning process," he declared.

GET ACQUAINTED WITH WEST VALLEY COLLEGE

Residents can find out about spring registration and special programs at West Valley College at an open house set for Tuesday, Nov. 8 at 1:30 p.m. in the Baltic Room of the Saratoga campus.

Representatives from many college programs will be on hand, including Women's Studies, career planning, counseling, financial aid and the Learning Resource Center.

For more information call 867-2200, ext. 356.

Youth commission opening announced

Applications are now being accepted for a vacancy on the Campbell Youth Advisory Commission.

Commissioner Maureen Moriarty submitted her resignation last week, citing other commitments that prevent her from giving adequate time to the advisory group.

Forms are available at the City Clerk's office, 75 N. Central ave. Deadline for submitting applications is Thursday, Dec. 1.

Requirements are that applicants be between the ages of 13 and 21 and live within the city limits.

For more information call 378-8141 weekdays.

dateline sacramento

Capitol News Service

Yes on guns, no on gays

Senator John Briggs, R-Fullerton, a candidate for Governor, has expounded his support for guns and his opposition to gays.

Briggs blasted Governor Brown for the veto of a bill that would give parole officers the right to carry a concealed firearm.

"Brown and his criminal coddling appointees have driven one more nail in the coffin of law enforcement by raising the banner for the undeserving, social misfits of our society — the convicted criminal — who is on parole," Briggs said.

Briggs also launched a personal effort to recruit pastors from the Sacramento area's fundamentalist churches to help campaign against homosexual teachers.

Briggs warned that the nation "is headed toward the path of destruction" if it accepts the "immoral lifestyle" of homosexuals.

Briggs has sponsored a ballot initiative to allow local school boards to dismiss teachers for "public homosexuality."

He said he will also introduce a bill in January to give parole officers the right to carry guns.

Klan seeks talk an border patrol

Members of the Klu Klux Klan arrived in Sacramento this week "to talk with the highest state official who will talk to us" about the groups plans to patrol the Mexican border to control the flow of illegal aliens.

olga / Don't tolerate any lip, Taurus

For Nov. 5 through Nov. 11

ARIES (March 21-April 19): Avoid ruckus with associate. Gap which exists could widen. Keep voice and profile low, Ari, and by week's end, you'll want to slip into something comfortable ... like a cold drink. Enjoy, enjoy.

TAURUS (April 20-May 20): Games are played and you, Taurus, are called upon to referee. Observe calmly, decide fairly and act incisively. Not a small order, but you can do it. Don't tolerate any lip from players. Respect follows.

GEMINI (May 21-June 20): Struggle for power/money (what else? highlighted. One who uses flattery to cajole should be given short shrift. Exercise caution if important papers are to be signed. Stall for time. If necessary, Gem, put your arm in a sling.

CANCER (June 21-July 22): Loved one tries to solve puzzle but one important piece is missing. You! Is this by accident or by design? Hectic week ends on key of C, for change.

LEO (July 23-August 22): If you seem to be racing up a "down" escalator, Leo, perhaps it's time to step off and re-evaluate the current scene. Change abounds. Go with the flow. Week ends on note of wonder.

VIRGO (August 23-September 22): New ideas presented. Don't be an old fuddy-duddy, Virg. Try one on for size. The mind, like an umbrella, functions only when it is kept open.

LIBRA (September 23-October 22): Closed door can be opened. Beyond lies a labyrinth which eventually may lead to love. You're afraid of the dark, you say? Well, then keep a candle handy . . and your matches dry.

SCORPIO (October 23-November 21): Calls and messages highlighted. Keep eyes peeled for smoke signals. If dear one shares secret, keep mum. Before week is over, Scorp. Eros extends invitation you can't refuse.

SAGITTARIUS (November 22-December 21): Change highlighted. Rights and duties must be understood. You tend to overdramatize, Saj. when making a point. Keep calm. One doesn't call out the Sixth Fleet just to impress a Sunday sailor.

CAPRICORN (December 22-January 19): Loved one acts as prism and casts a rainbow your way, Cap, and you see future in a different light. Make secret plans. You're headed in right direction, dear heart, so don't falter now. Week cuddles to a close.

AQUARIUS (January 20-February 18): Autumn is in the air, Aquari, and as the seasons change, so should you. What is past is past, over, done, fini! Take a clue from Mother Nature and let the dead leaves fall. New buds will come. You'll see!

PISCES (February 19-March 20): Don't become locked into irreversible patterns. Experiment, Pisces, with friends, family, associates. Open doors, even those marked "Exit," for by "going out" one really sees the light.

DRESS, FOR the West Valley Federated Women's Club fund-raiser this Saturday, Nov. 5, will be strictly British as the West Valley American Legion Hall is transformed into "Ye Auld Valle Inn" for the evening. A variety of British Isle foods will be served with entertainment provided by the Scottish Red Thistle Dancers. Dancing will be to the music of Roger Seaman and his combo featuring a Scotsman playing country folk tunes on the saxophone. Proceeds from the 8 p.m. event will go to the Multiple Sclerosis Society of Santa Clara County and other club philanthropies. Pictures above, from left, are President Carol Toye, Tod Burns, Yvonne Willyoung and Fran and Sherman Schroder of Campbell. Fran is general chairman for the event.

Siren sounds

A WILD CHASE

Two San Jose residents are in custody today facing charges of forgery, car theft and fradulently completed checks after a high speed chase through local streets last Tuesday.

According to reports, the incident started when the young man and woman entered a supermarket on W. Hamilton ave. and attempted to cash a check. The supervisor, aware that the check had been reported stolen, took the man's driver's license and the check into the office and called Campbell police.

When police arrived moments later the two jumped into a car (later found to be stolen) and led the two patrol cars on a hair raising chase for 3½ miles at speeds up to 80 MPH before the car struck a cement divider strip on Green Meadows dr. and crashed.

Both suspects fled and were apprehended after a chase by officers.

CHURCH BUSES DAMAGED

Three buses parked behind the Rinconada Hills Christian Church on Pollard road suffered close to $3,000 in damages, according to a report filed last week.

The buses, which hadn't been used since mid-September, had many windows broken out by vandals.

Total loss was estimated at $2,994.

BURGLARY SUSPECT NABBED

A 22 year-old San Jose man was arrested on charges of burglary, possession of stolen property, prowling and grand theft after a Campbell officer on routine patrol heard noise coming from a camper supply firm on Kennedy drive last Saturday.

According to reports, Officer John Curtis had checked the area earlier that evening and noted it was secure for the night. On his second go-round though, Curtis heard sounds coming from the back of the building and went to investigate.

He found the fence cut and contacted the owner who arrived on the scene a short time later.

Inside the fence the officer found a car that didn't belong there (according to the owner) and a few minutes later found the man hiding under a motor home.

Holiday gifts and goodies go on sale this Saturday, Nov. 5 at the "Santa's Showcase" held at the First United Methodist Church of Campbell, 1675 S. Winchester blvd. Shown above, back row from left, are Carol Cleveland, Virginia Childress and Beatty Pfeuffer, co - chairpersons. Santa (Mary Gaddis) and Four-year-old Patty Childress also show off some of the holiday fare. Sale hours are 10 a.m. to 3 p.m. with a holiday luncheon set for 11:30 to 1:30 p.m. at the local church. Included in this year's event will be a special parcel post service, demonstration table as well as plants, arts and crafts and tree trimmings.

Town hall at Del Mar high

READING will be the topic under discussion tonight (Nov. 3) at a Town Hall Meeting sponsored by Assemblyman John Vasconcellos (D-San Jose).

The session starts at 7:30 p.m. in the Del Mar High School cafeteria, 1224 Del Mar ave., San Jose.

Several local and state educators will be taking part in the meeting including Barbara Valdez, vice president of the California Reading Association, Inc., and Gerry Chartrand, reading guidance teacher at Forest Hill School.

New faces at the Campbell Chamber of Commerce these days are, left, Shirley Stanford, community services receptionist and, right, Maureen Morgan, records secretary. A not-so-new face is that of Executive Vice President Ted Rogers. The local Chamber, loacted in The Factory shopping center, is busy these days updating brochures and business guides. For everything you want to know about Campbell (and aren't afraid to ask) call 378-6252 weekdays.

City business fees are lower report reveals

If you're a business owner in Campbell you're probably paying less than you would in neighboring cities. That is, if you're not a palmist.

An evaluation of the city's business license fee structure was presented at last Monday's council session and shows, overall, Campbell charges less.

Most business pay $30 per year but one exception is the lone palmist with a $400 yearly fee.

Many surrounding cities charge a basic fee of $30 or $35 yearly plus additional fees based on the number of employees or the gross receipts of the business. They also have special higher rates for manufacturing firms, professionals and retail stores.

Lowest fees are in Cupertino where the $25 license applies to all businesses except beauty salons.

Highest fees, according to the report, are in Los Altos and Milpitas where the base of $35 for retailers, wholesaler and manufactureres, for instance, is beefed up by a $5 fee per employee for the first 10 employees. From 10 to 100 employees have an additional $1 per head levy and firms with more than 100 employees pay an additional 25 cents per person.

Most cities have special license fees for specific business activities, such as pawn brokers, billiard parlors and carnivals. Campbell is no exception.

Some of the special local fee rates include $55 for trucking firms, $100 for pawnshops, $110 for wrecking yards and $45 for morticians. Billiard rooms are $55 yearly and the new antique-estate auction gallery will pay $100. The IBM plant on Dell ave. pays $110. The report, prepared by Kevin Duggan, assistant to the City Manager, concludes that Campbell is somewhat unique in that we have no broad categories of businesses.

Kudos for high school trustees from the city

Campbell Mayor Bill Podgorsek made a surprise visit to Campbell high school district trustees at last Tuesday's meeting.

The Mayor was on hand to present the Board with a certificate of appreciation for the donation of some property in front of Campbell High School. That land, part of the front lawn area, was needed for the widening of the Winchester-Campbell ave. intersection. As part of that agreement the city also installed a large bus lane in front of the school.

The Campbell City Council resolution was one vote shy of being unanimous. Councilman Dean Chamber, who is a school district administrator, abstained on the motion.

In accepting the certificate, Board President Ray Silva called it an "unexpected pleasure" and said he was glad the district and city could work together.

The dealings between the high school district and the city are in sharp contrast with those between the city and the Campbell elementary school district.

The city had to institute a law suit against the elementary district to receive right of entry for construction of the north loop street. Settlement of the resultant condemnation suit is still pending over part of the old Campbell grammar school property.

In other related business last week the high school board voted to dedicate a subsurface easement to the city of San Jose. The easement, on the Del Mar High School grounds, will be used for a storm sewer.

In return for this dedication, the city of San Jose has agreed to repair streets near Westmont High School.

Summer school attracted at least 50,000

At least 50,000 people took part in the summer recreation programs presented by the Campbell Union High School District this past summer.

This figure was part of a report to the Campbell CUHSD Board of Trustees. According to Larry Liden, who gave the report, the number is a conservative one.

Liden attributed much of the program's success to its director, Bill Augenstein. Augenstein is an instructor at Prospect High School.

Liden described the major activities to the board, "Every school had a teen club with supervised and healthy activities," he said. The teen clubs met three times a week with dances being the most popular activity. The other nights were usually games or trips. Over 3,000 youngsters bought cards entitling them entrance to teen club activities.

The most "popular" activity for the summer was the swimming program. Liden told the meeting that 39,600 people used CUHSD pool facilities during the summer. This total includes the 5,000 plus people who took swimming lessons through the program.

In response to a question from trustee Mac Martinez, Liden spoke briefly on the special program at Del Mar school for the handicapped. It was at Del Mar where activities were coordinated for the handicapped. He felt the special program was successful.

Liden concluded his remarks by pointing out that of all schools in the district only two did not receive financial assistance from outside sources. These schools, according to Liden, were in Campbell.

Dr. Nick Montesano, district superintendent, was quick to point out that the recreation programs at those schools were just as good as those at the other schools, due to district financial support.

Two are named to water board

Governor Edmund G. Brown Jr. has made two appointments to the California Water Commission. The new appointees are Merrill Goodall, 60, of Claremont and Alexandra Fairless, 38, of Arcata.

Goodall, a Democrat, is a professor of government at Claremont Graduate School. He received his degrees from the University of California at Berkeley and Johns Hopkins University.

Fairless, the mayor of Arcata, graduated from Humboldt State University and is a city representative on Region A Criminal Justice Planning Board. She is a Democrat.

Both need Senate confirmation for the posts. Each would become eligible for a $50-$2,000 per diem.

Housing program areas designated

The California Housing Finance Agency's Neighborhood Preservation Program received approval for five more designated areas. The program is designed to aid the rehabilitation of deteriorating neighborhoods by providing below-market interest rate loans for home improvement, refinancing and home acquisition.

Frank Patitucci, CHFA president, announced the new designated areas, which include the city of Davis, the Ingleside neighborhood of San Francisco, the Northside neighborhood in San Jose, the Belle Haven neighborhood of Menlo Park, and an area in the city of Anaheim.

Geothermal energy to power project

The California State Water Project will be partially run on geothermal power in the 1980s, according to the State Department of Water Resources. The department announced that geothermal energy would be tapped to run pumps in the system, generating some 360 million kilowatt hours per year.

Construction of the Lakeport facility will begin after the required approvals from the Energy Commission have been obtained and the environmental documents have been reviewed.

Prison gang links study set

State Secretary of Health and Welfare Mario Obledo announced the appointment of a Board of Corrections committee to investigate possible links between prison gangs and "outside elements." Obledo also said the committee would look at the operation of gangs within prisons and their organization.

Obledo's announcement drew a number of questions trying to establish whether or not the Health and Welfare Agency was aware of similar studies by the Attorney General's Office and the Department of Justice. The secretary mentioned familiarity with one such report.

Barbituate shots still used by vets

The Office of the Secretary of State clarified an earlier announcement regarding the "Method of Killing Dogs and Cats Initiative" this week. The initiative seeks the elimination of high-altitude decompression chambers as a means of destroying the animals.

In its earlier announcement, the office said that only carbon monoxide gas chambers and nitrogen gas cabinets could be used by peace officers and animal regulation officials.

The office said that while the earlier statement was true, the initiative would not affect the use of barbituate innoculations by veterinarians or veterinary-trained personnel, as some people believed.

Water quality appointments

Governor Brown made two appointments to the California Regional Water Quality Control Board for the San Francisco Bay Region. The appointees are Altona Anderson of Walnut Creek and Louise Renne of San Francisco.

Anderson, 42, was manager of personnel services for Clorox Comapny, an instructor at Kanto Gakuin University in Japan and was a social worker in Philadelphia. She presently serves as community projects manager for the Clorox Company in Oakland.

She replaces Penn Keller, whose term expired.

Renne, 40, worked as an attorney in the environmental unit of the attorney general's office until June of this year. Prior to that time she maintained a private law practice in San Francisco and also served as an attorney for the Federal Communications Commission.

Renne replaces Lily Cuneo, whose term also expired.

Both new appointees are Democrats.

nutrition notes

After the 'day of the pumpkin'

By DOROTHY TERRILL

Editor's note: Dorothy Terrill, a registered dietitian and instructor at De Anza College, holds an M.S. in nutrition from UC Berkeley. Questions about nutrition are invited. Address all questions to: Dorothy Terrill, Nutrition Notes, Suburban Newspaper Publications Inc., P.O. Box 368, Cupertino, 95014. Mrs. Terrill will answer questions as space allows.

Halloween is over but likely the jack-o-lanterns are still around unless they were carved too many days before Halloween. A jack-o-lantern need not end its life in the garbage can. If rescued in time, it can find its way to the family dinner table and contribute 7400 I.U. Vitamin A per one-half cup. One-half cup also contains 38 calories, some potassium, thiamin, and riboflavin. It can be a nutritious addition to the diet.

Many people think of pumpkin and pie as synonymous. However, pumpkin is a vegetable and can be served as one would serve baked squash or mashed potatoes. A little butter or margarine, salt and pepper can make it an enticing part of the meal.

To cook the pumpkin, wash the outside thoroughly, cut into hunks, trim off any blackened or waxy areas if a candle was burned in the jack-o-lantern, and cook in water until tender. Drain off the water and when the pumpkin is cool enough to handle, peel it and mash the pulp with a potato masher or put in the blender. If it is too watery, drain off some of the liquid. It can be served as a vegetable while hot, reheated, or frozen for future use. Pumpkin can also be baked in a 200 degree oven overnight. However, this may not be as economical in energy useage.

The filling of pumpkin pie is nutritious, with eggs, milk, and a small amount of sugar added. It can be served as a pudding or custard for dessert. The crust of the pumpkin pie is the calorie laden portion along with the whipping cream that is traditionally served with it. If the filling is served alone with perhaps some nuts added to it, it can be a nutritious part of the meal.

The pumpkin can be used in other baked items, also. Bars, cookies, and breads can be made from it. Try cutting the sugar and fat in the recipes used. The product will be different but perhaps not unacceptable to the family — especially if that is all that is served to them. An equal amount of yogurt can be substituted for the fat in many recipes for baked goods. That would add calcium, protein, and riboflavin to the product and eliminate half the fat.

If you've saved the seeds from the jack-o-lantern, you can roast them and use as snacks. To prepare them, thoroughly wash off the pulp and soak about an hour in salted water — one tablespoon salt per quart of water. Then bring them to a boil and simmer for two hours. Drain them and spread on a cookie sheet. Bake in the oven at 350 degrees for about a half hour, or until lightly browned, stirring occasionally. Cool and store in tight containers.

Pumpkin and squash kernels are very nutritious. Three and one-half ounces of them contain 29 grams of protein, 11 grams of iron and some calcium, thiamine, and riboflavin. Seeds are lower in fat than nuts.

Sunflower seeds are an excellent snack food, too. Three and one-half ounces of sunflower kernels contain 24 grams of protein, 7 grams of iron, and some potassium and thiamine. They can be used in baking instead of nuts — try them in bread and cookie recipes. The fat in sunflower seeds is highly unsaturated and therefore, good for low saturated fat diets.

Item No. 9.; Roadway Exacvation; Unit of measure, C.Y.; Estimated quantity, 23.

Item No. 10.; Asphalt Concrete, Type B; Unit of measure, TON; Estimated quantity, 48.

Plans, specifications, and proposal forms for bidding this project can only be obtained at the office of the City Engineer of the City of Campbell, 75 N. Central Avenue, Campbell, California.

The successful bidder shall furnish a payment bond and a performance bond.

The City of Campbell hereby notifies all bidders that it will affirmatively insure that in any contract entered into pursuant to this advertisement, minority business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, sex, or national origin in consideration for an award.

Minimum wage rates for this project as predetermined by the Secretary of Labor are set forth in the special provisions. If there is a difference between the minimum wage rates predetermined by the Secretary of Labor and the prevailing wage rates determined by the City of Campbell for similar classifications of labor, the Contractor and his subcontractors shall pay not less than the higher wage rate.

Pursuant to Section 1770 of the Labor Code the Department has ascertained the general prevailing rate of wages in the County in which the work is to be done, to be as listed in the Department of Transportation, Division of Highways publication entitled "Equipment Rates and General Prevailing Wage Rates", dated November, 1977.

CITY OF CAMPBELL

NOTICE OF ADVANCED MATURITY CITY OF CAMPBELL LOCAL IMPROVEMENT DISTRICT NO. 18
BOND SERIES 1969-1
RESOLUTION OF INTENTION NO. 2536
ADOPTED OCTOBER 8, 1968

TO WHOM IT MAY CONCERN, holders or owners of the bonds listed below issued to represent unpaid assessments in the Local Improvement District No. 18 project:

Bond No.	Denomination	Date of Maturity
163	$1,000	July 2, 1982

NOTICE IS HEREBY GIVEN that the Treasurer of the City of Campbell has advanced the maturity on the foregoing bonds to January 2, 1978.

You are further notified that you may, prior to the date of advanced maturity, surrender said bonds and receive the principal and interest thereon to the date of payment together with the premium thereon equal to 5 percent of the principal. If the bonds have not been sooner surrendered on the date herein fixed for advanced maturity, there will be set aside to your credit the amount of the principal and accrued interest then due on the bonds together with a premium of 5 percent of the principal, and the bonds shall then be deemed to have matured and interest shall cease to accrue on the bonds. The amount so set aside will be paid to the holders or owners of the bonds upon demand and upon the surrender and cancellation of the bonds.

Public Hearing Held Before the Planning Commission on Sept. 6, 1977.

Pub: 11-3-77 437CP
EXHIBIT C: MAP OF SAID PROPERTY

ORDINANCE NO. 1123

BEING AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF CAMPBELL ADOPTING PLANS, ELEVATIONS AND DEVELOPMENT, SCHEDULE FOR THE PLANNED DEVELOPMENT ZONE ESTABLISHED BY ORDINANCE OF THE CITY OF CAMPBELL. (Application of Mr. Kolleck/Argus Associates).

The City Council of the City of Campbell does ordain as follows:

SECTION ONE: That the Zoning Map of the City of Campbell is hereby changed and amended by adopting the attached "Exhibit A", entitled "Plans and Elevations", "Exhibit B" entitled "Development Schedule", and "Exhibit C" entitled "Map of Said Property" as per the application of Mr. Kolleck/Argus Associates for approval of plans, elevations and development schedule to allow construction of an office building on property known as 595 Millich Drive in a Planned Development Zoning District. Copies of said exhibits are on file in the office of the Planning Department.

Said approval subject to the following conditions:

A. Construction to begin no later than one year after City Council approval of the PD application and construction to be completed no later than two years after City Council approval of the PD application.

B. Landscaping to be compatible with adjoining development.

C. Property to be fenced and landscaped as indicated and as added in "red" on plans.

D. Landscape plan indicating type of plant material, location of hose bibs, or sprinkler system and type of fencing to be submitted for approval of the Planning Director at time of application for building permit.

E. Landscaping shall be maintained in accordance with the approved landscape plan.

F. Faithful performance bond in the amount of $3,000 to be posted to insure landscaping, fencing and striping of parking area within three (3) months of completion of construction, or applicant may file written agreement to complete landscaping, fencing and striping of parking area prior to final Building Department clearance.

G. All mechanical equipment located on roofs shall be screened as approved by the Planning Director.

The applicant is notified as part of this application that he is required to meet the following conditions in accordance with Ordinances of the City of Campbell.

H. All parking and driveway areas to be developed in compliance with Section 21.50 of the Campbell Municipal Code. All parking spaces to be provided with appropriate concrete curbs or bumper guards.

I. Underground utilities to be provided as required by Section 20.16.070 of the Campbell Municipal Code.

J. Plans submitted to the Building Department for plan check shall indicate clearly the location of all connections for underground utilities, including water, sewer, electric, telephone and television cables, etc.

K. Sign application to be submitted in accordance with provisions of the sign ordinance for all signs. No sign to be installed until application is approved and permit issued by the Building Department.

L. Ordinance No. 782 of the Campbell Municipal Code stipulates that any contract for the collection and disposal of refuse, garbage, wet garbage, and rubbish produced within the limits of the City of Campbell shall be made with Green Valley Disposal Company. This requirement applies to all commercial, business, industrial, manufacturing, and construction establishments.

M. Trash container(s) of a size and quantity necessary to serve the development shall be located in area(s) approved by the Fire Department. Unless otherwise noted, enclosure(s) shall consist of a concrete floor surrounded by a solid wall or fence and have self-closing doors of a size specified by the Fire Department. All enclosures to be constructed at grade level.

N. Applicant shall meet State requirements for the handicapped.

BUILDING DEPARTMENT

O. Roofing covering (not shown) shall be fire retardant. Section 1603 (a) 3203 (r).

PUBLIC WORKS DEPARTMENT

P. Pay storm drainage area fee of $816.

Q. Provide grading and drainage plan.

R. Obtain an excavation permit to complete the residential sidewalk around the corner and along Merrimac Drive; plant street trees as directed by the City Engineer; and install a handicap ramp at the corner.

FIRE DEPARTMENT

S. Provide an automatic fire extinguishing system.

T. Provide "2A-10B" fire extinguishers.

The applicant is notified that he shall comply with all applicable Codes or Ordinances of the City of Campbell which pertain to this development and are not herein specified.

PASSED AND ADOPTED THIS 24th day of October, 1977, by the following vote:

AYES: Councilmen: Chamberlin, Doetsch, Hammer, Paul, Podgorsek

NOES: Councilmen: None

ABSENT: Councilmen: None

APPROVED:
William R. Podgorsek
Mayor
ATTEST:
Phyllis O. Acker
City Clerk

NOTICE

Notice is hereby given that a Negative Declaration has been prepared for the application of the Central 93 Associates for: (1) approval of revised usage of existing structures, (2) revised parking design, and (3) plans, elevations, and development schedule to allow construction of a parking structure on property known as 33 and 93 S. Central Avenue in a P-D Zoning District.

This project will be considered for approval by the City of Campbell on November 15, 1977.

Interested persons may review a copy of said Negative Declaration on file in the office of the Planning Department, Campbell City Hall, 75 North Central Avenue, Campbell, California.

Pub.: 11-3-77 451CP

NOTICE OF HEARING

Notice is hereby given that the Planning Commission of the City of Campbell has set the hour of 7:30 p.m. on Tuesday, November 15, 1977 in the City Hall Council Chambers, 75 North Central Avenue, Campbell, California, as the time and place for public hearing to consider the application of Mr. David W. Hammond and Wells Fargo Bank for a Use Permit and approval of plans to expand an existing parking lot located on property known as 200 East Campbell Avenue in a P-D (Planned Development/Commercial) Zoning District. A.P.N.: 413-6-16, 17, and 88.

Map and legal description of subject property on file in the office of the Planning Department, 75 North Central Avenue, Campbell, California.

Interested persons may appear and be heard at said hearing.

RESOLUTION OF INTENTION NO. 2875
ADOPTED JULY 27, 1970

TO WHOM IT MAY CONCERN, holders or owners of the bonds listed below issued to represent unpaid assessments in the Local Improvement District No. 21:

Bond No.	Denomination	Date of Maturity
17	$1,000	July 2, 1984

NOTICE IS HEREBY GIVEN that the Treasurer of the City of Campbell has advanced the maturity on the foregoing bonds to January 2, 1978.

You are further notified that you may, prior to the date of advanced maturity, surrender said bonds and receive the principal and interest thereon to the date of payment together with the premium thereon equal to 5 percent of the principal. If the bonds have not been sooner surrendered on the date herein fixed for advanced maturity, there will be set aside to your credit the amount of the principal and accrued interest then due on the bonds together with a premium of 5 percent of the principal, and the bonds shall then be deemed to have matured and interest shall cease to accrue on the bonds. The amount so set aside will be paid to the holders or owners of the bonds upon demand and upon the surrender and cancellation of the bonds.

/s/M. Madine Sargent
City Treasurer,
City of Campbell
Pub.:11-3,10-77 458CP

ORDINANCE NO. 1126

BEING AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF CAMPBELL ADDING CHAPTER 5.11, SECTIONS 5.11.010 ET SEQ., TO THE CAMPBELL MUNICIPAL CODE ENTITLED ANTIQUE AND ESTATE AUCTION GALLERY.

THE CITY COUNCIL OF THE CITY OF CAMPBELL DOES ORDAIN AS FOLLOWS:

SECTION ONE: That Chapter 5.11, Sections 5.11.010 et seq., be added as follows:

CHAPTER 5.11
ANTIQUE AND ESTATE AUCTION GALLERY

Sections:

5.11.010	Definitions.
5.11.020	Record Book — Required — Information to be shown.
5.11.030	Reports to be sent to chief of police — Form.
5.11.040	Same — Information required, separate form to be used for each article received.
5.11.050	Same — To be delivered daily.
5.11.060	Inspection of records, records to be kept in chronological order.
5.11.070	Failure or refusal to keep records.
5.11.080	Failure or refusal to exhibit records upon request of authorized persons.
5.11.090	Receiving goods etc., from intoxicated persons.
5.11.100	Receiving stolen property.
5.11.110	Hours in which business shall be carried on.
5.11.120	Application for license — information required.
5.11.130	Same — Investigation and fingerprinting of applicant — Recommendation to be made by chief of police.
5.11.140	Issuance of license.
5.11.150	Revocation of license — Public hearing to precede revocation.
5.11.160	Number of Antique and Estate Auction Gallery license to be issued.
5.11.170	Antique and Estate Auction Gallery license non-transferrable.
5.11.180	Location of Antique and Estate Auction Gallery's place of business non-transferrable.

Section 5.11.010 Definitions. For the purpose of this chapter the following words and phrase, antique and estate auction gallery, shall have the meaning respectively ascribed to them by this section.

1. A permanent facility that has for sale at auction the following, but not limited to said items:
   - (a) Antiques
   - (b) Museums
   - (c) Fine old furniture
   - (d) Estates
   - (e) Collections
   - (f) Art Glass
   - (g) Clocks
   - (h) China

Section 5.11.020 Record book — Required — Information to be shown. Every antique and estate auction gallery conducting such business in the city shall keep at the store or place of business a well-bound book, containing a record in which shall be legibly entered in the English language, in ink, at the time of every purchase, sale, exchange, pledge, or other transfer of possession of any article thereon, a description of such article received or delivered in such transaction sufficient to identify same, including all particular or prominent marks of identification that may be found on such property, the signature, age, sex, residence, and accurate descriptions of the vendor or person from whom purchased or received, or with whom dealt, the license number and description of any vehicle which the person from whom purchased or received was riding in, upon, or driving, as near as the same is known or can be ascertained by the person making such report, and the amount of money paid or received in such transaction, the rate of interest, if any, and the date and hour of the transaction.

Section 5.11.030 Reports to be sent to chief of police — Form. In addition to the keeping of a permanent, bound record as provided in Section 5.11.020, every person engaged in any of the businesses specified in Section 5.11.010 shall be required at the time of taking or receiving any article in the business for which he is so permitted to place the description of the article or thing pledged, received, or taken on the face of a blank record form three inches by five inches, which forms shall be provided by the chief of police upon request.

Section 5.11.040 Same — Information required, separate form to be used for each article received. The description to be given of every article mentioned in Section 5.11.030 shall be the description designated in this section. The permittee shall fill in such other blank spaces as may appear upon the face of such blank forms with the data as is designed on the form. A separate form shall be provided and used for each article pledged, received, or taken. On such blank record form there shall be written by the pledgor, or the person delivering the article, in his own handwriting, his name and address. No person shall sign any other name than his true name, or give any other address than his true address. The permittee shall then fill in a description of the party so pledging or leaving any such articles as the remaining spaces on the card call for. Such blank record forms shall be so printed and subdivided that they shall have space for filling in the information required by the chief of police to properly administer this chapter, including the name of the permittee, the article pledged, received, or taken, and sufficient descriptive material concerning such article so as to properly identify it. All blank spaces on such record form shall be filled in by the permittee, with the proper information.

Section 5.11.050. Same — To be delivered daily. The permittee shall on every business day, on or before the hour of twelve p.m. deliver to the chief of police or his authorized agents all such report forms as are required to be made and kept by the permittee, along with any additional data or information required in this chapter to be obtained concerning any transaction, arranged in chronological order and pertaining to all transactions during the preceding business day.

Such reports shall be kept in a safe place made for that purpose in the police department, and shall be open to inspection only by authorized law enforcement officers of the state, or by other persons upon an order of a court having competent jurisdiction.

Section 5.11.060 Inspection of records, records to be kept in chronological order. The records of the permittee shall be at all reasonable time open to the inspection of the chief of police of the city or any of his designees. All records of transactions required to be kept and made according to the provisions of this chapter shall be kept in chronological order by the permittee.

Section 5.11.070 Failure or refusal to keep records. No antique and estate auction gallery, or any agent or employee of such antique and estate auction gallery shall fail, refuse or neglect to file such reports as are required in this chapter in the manner, form, and at the time, and in all respects in accordance with the requirements of this chapter.

Section 5.11.080 Failure or refusal to exhibit records upon request of authorized persons. No antique and estate auction gallery shall fail, refuse, or neglect to exhibit to the chief of police, or to his designees, or to any officer authorized by law, immediately upon demand, any form or records, or any goods, wares, or merchandise pledged, bought or received by such antique and estate auction gallery, or by any agent or employee of such antique and estate auction gallery.

Section 5.11.090 Receiving goods, etc., from intoxicated persons. No person permitted pursuant to this chapter, or his manager, or his employee shall take or receive any goods, articles, or thing for any person who is in an intoxicated condition.

Section 5.11.100 Receiving stolen property. No person permitted pursuant to this chapter shall receive any goods, articles or thing from any suspected thief, or associate of thieves, or a suspected known receiver of stolen property or from any persons he may reasonably suspect to be included within any of the foregoing categories.

Section 5.11.110 Hours in which business shall be carried on. Any person engaged in, conducting, managing, or carrying on the business of antique and estate auction gallery shall operate his business from 9 a.m. to 5 p.m. On auction days, which will be limited to eight days per month, the hours of doing business shall be extended to 11 p.m.

The person conducting said business shall notify the chief of police seventy-two hours in advance of said auction.

Section 5.11.120 Application for permit — Information required. Before any permit to engage in the business defined in Section 4.11.010 is granted, the applicant shall file with the chief of police of the city a written application under oath, and shall file a copy thereof with the city clerk, setting forth the following:

(1) The exact nature of the business to be carried on.

(2) The name of the applicant, together with all persons to be directly or indirectly interested in the conduct, management or operation of the business, should a permit be granted, including all members of any firm or partnership.

The location of the proposed business for which the permit is being sought.

(4) Whether or not any permit heretofore granted has been revoked, and if so, the circumstances of such revocation.

(5) Such further information bearing on the business activities or on the moral character of the applicant as the chief of police may require in order to carry out the proper enforcement of this chapter.

Section 5.11.130 Same — Investigation and fingerprinting of applicant — Recommendations to be made by chief of police. In addition to the information specified in Section 5.11.130, the applicant at the time of filing his application shall be fingerprinted by and his record filed in the police department bureau of identification. Upon receipt of such application, the chief of police shall cause an investigation to be made of the moral character of the applicant and the proposed manner of conducting the business. He shall make a recommendation to the city council based upon such investigation in regard to the character of the applicant and the manner of conducting or operating the business.

Section 5.11.140 Issuance of permit. An individual, partnership or corporation may be granted by the city council a permit to operate both as an antique dealer and an estate auctioneer, but the city council may revoke, suspend or deny an individual to be permitted to operate as an antique dealer but continue as an estate auction gallery, or revoke or suspend both types of permits.

Section 5.11.150 Revocation of permit — Public hearing to precede revocation. In the event that any person holding a license authorizing him to engage in, conduct, manage, or carry on the business of an antique and estate auction gallery, or any agent or employee of such person violates, or causes, or permits to be violated any of the provisions of this chapter, it shall be considered proper cause for the revocation of such permit.

No permit shall be revoked until a public hearing shall have been had by the city council, and the city council shall have reported the results of such hearing to the officer charged with the duty of issuing such permit. Notice of such hearing shall be given in writing and shall state the grounds of complaint against the permittee and shall also state the time and place where such hearing will be had. Such notice shall be served upon the permittee, or his manager or agent at least three days prior to the hearing on the revocation of such permit by delivering the notice in writing to the permittee, or to his manager or agent, or to any person in charge of or employed at the place of business of such permittee, or, if such permittee has no place of business, then to his place of residence; or by leaving such notice at the place of business or residence of such permittee. If, as a result of the hearing, the city council determines that the permittee or any agent or employee of such permittee has violated, or caused, or permitted to be violated any of the provisions of this chapter, the city council shall immediately notify the officer in charge of issuing such permits, and the permit shall be forthwith revoked by such officer. The permittee shall be notified of such revocation in the same manner as the notice of hearing is required to be given. Section 5.08.070 is applicable to this chapter.

Section 5.11.160 Number of antique and estate auction gallery license to be issued. There shall be authorized to be issued two antique and estate auction gallery permits for every fifty thousand persons residing within the city limits. If the population exceeds fifty thousand persons, there shall be authorized two antique and estate auction gallery permits for every fifty thousand persons and one antique and estate auction gallery permit for any excess of fifty thousand population.

Section 5.11.170 Antique and estate auction gallery permit non-transferrable. Any permit issued, together with the privileges conferred thereby, to a person to engage in business as an antique and estate auction gallery shall be non-transferrable. Any attempt to transfer the permit shall be void.

Section 5.11.180 Location of antique and estate auction gallery's place of business non-transferrable. No permit issued authorizing a person to engage in business as an antique and estate auction gallery shall authorize the conduct of the business at any location other than the specified location set forth in the application for such license and which theretofore has been approved by the chief of police. The conduct of any such business at a location other than that specified in the application is unlawful.

Section 5.11.181 Over the counter sales prohibited. Over the counter sales are prohibited other than through auction procedure.

Section 5.11.182 Loans. There shall be no lending of money on any item received by an antique and estate auction gallery.

CITY OF CAMPBELL
DEPARTMENT OF PUBLIC WORKS
CAMPBELL, CALIFORNIA
PROJECT NO. 77-7
NOTICE TO CONTRACTORS

Sealed proposals will be received by the City Clerk of the City of Campbell at City Hall, 75 North Central Avenue, Campbell, California, until 2 o'clock P.M. on Wednesday, the 9th day of November, 1977, at which time they will be publicly opened and read, for construction in accordance with the Specifications therefor, to which special reference is made, as follows:

In the City of Campbell, County of Santa Clara, for asphalt-concrete overlay on various streets, including heater remix, asphalt wedge cutting, installation of Petro-mat or equal, raising of manholes and miscellaneous boxes, and striping and pavement markings.

Bids are required for the entire work described hereinafter.

Plans, Specifications and Proposal forms for bidding this project can be obtained at the office of the City Engineer, 75 North Central Avenue, Campbell, California 95008, upon receipt of a non-refundable cash payment in the amount of $10.00 per set. Checks shall be made payable to the "City of Campbell", and may be mailed to the City Engineer at the above address.

No proposal will be considered unless made on the forms furnished by the City Engineer.

The City of Campbell, in accordance with Title VI of the Civil Rights Act of 1964 (78 Stat. 252) and the Regulations of the Department of Commerce (15 C.F.R., Part 8), issued pursuant to such Act, hereby notifies all bidders that it will affirmatively insure that the contract entered into pursuant to this advertisement will be awarded to the lowest responsible bidder without discrimination on the grounds of race, color or national origin.

Pursuant to Section 1770 of the Labor Code, the City has ascertained the general prevailing rate of wages in Santa Clara County to be as listed in the Santa Clara County publication entitled Basic Wage Rates, passed and adopted by the City Council of the City of Campbell on February 14, 1977.

Dated October 18, 1977

Pet Patrol

KITTENS FREE TO GOOD HOMES

Three little kittens, part Siamese, nine weeks old. Call Ida at 264-1617.

LIKES TO RIDE IN CAR

A male, great Dane, about one-year-old was found near Sunnyoaks and San Tomas Expressway last week. The dog is fawn colored with a black nose.

He is wearing a chocker collar and part of a tag. The finder says he is very affectionate and likes to ride in cars. If no one claims him, he is free to a good home.

Call Steve at 629-8617 or 379-7175.

NO ROOM FOR LADY

An Australian Shepherd, one and half years old, with black, tan and white markings is free to a good home.

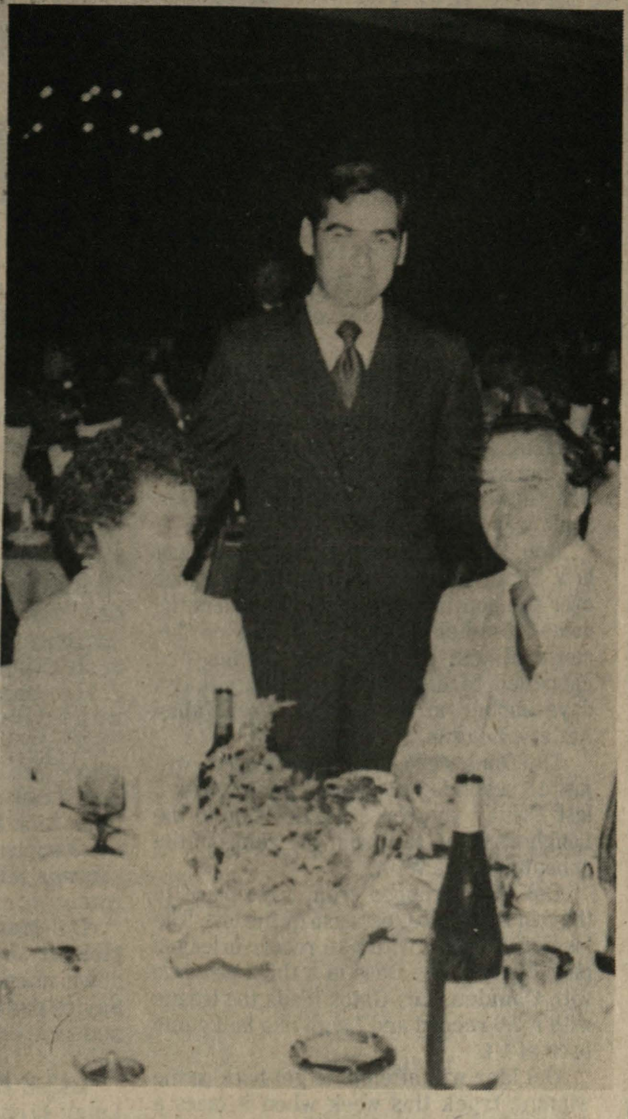
Lady is frisky, affectionate, smart and trainable. Her owner said she needs more room and would make an excellent sheep dog.

If you can give Lady a home, call 378-6977.

MICKY IS LOST

Micky, a silver-tipped German Shepherd was lost last Thursday near San Tomas Expressway and Campbell ave. He was wearing a bright blue nylon leash and flea collar.

Call 656-0164 in Fremont.



AMONG THE hundreds of people gathered for Supervisor Rod Diridon's fund-raising dinner in the Mediterranean Room of the San Jose Hyatt House recently were Campbell Mayor Bill Podgorsek and his wife Arlene. An estimated 750 people, including many local officials, attended the $50 a plate dinner.

Pari-mutuel betting to be an initiative

Capitol News Service

Secretary of State March Fong Eu announced she has approved the circulation of an initiative which would allow pari-mutuel horse race wagering and casino-style gaming in California.

The "Extended Pari-Mutuel Horse Race Wagering and Gaming Initiative" would set up a People's Wagering and Gaming Commission charged with issuing licenses for extended pari-mutuel horse race betting throughout the state.

The initiative, if passed by voters, would also establish a "pilot program basis" for the cities of Adelanto and Lakeport to conduct casino gambling games. The gaming provision would, according to the secretary's office, be "on an experimental basis for a period of 28 years."

The secretary's office reports that Robert Wilson of Sherman Oaks is backing the initiative. According to the secretary, Wilson floated seven previous attempts to win California's approval of such a measure. Wilson will need 499,846 registered voter signatures to qualify for the 1978 ballot, and he needs them by March 10 of next year.

'Harvey' appears at Leigh

That six-foot invisible rabbit "Harvey" will be in the Leigh High School cafetorium this Friday and Saturday evening, Nov. 4 and 5 as the drama department presents the popular comedy about Elwood P. Dowd and his huge furry friend.

Show time is 8 p.m. both nights at the 5210 Leigh ave. school.

Dave Whitaker portrays Dowd while Veta Simmons, the sister who tries to get Dowd committed to an institution, is played by Sheree Hedger.

Mike Conly is student director.

Take note

MILITARY ACADEMY APPLICATIONS

Application forms for the four military service academies are available now at Congressman Norman Mineta's office, 1245 S. Winchester blvd., San Jose.

The forms cover Annapolis, the Air Force Academy, the Merchant Marine Academy and West Point for classes that will enter in 1978.

Young men and women must be between 17 and 21 years, unmarried and graduating from high school by June of 1978.

Final applications must be submitted by December 1. For more information call 984-6045 weekdays.

Holiday goodies

Local baking expert Dorothy Ellis will demonstrate how to make sugar-plum loaves, and other holiday fare this Wednesday, Nov. 9 at the Campbell public library.

The breadmaking program gets underway at 7:30 p.m. in the downstairs Community Room

There is no charge and the public is invited.

Births

Born Oct. 17:

To John and Margaret Murray, 251 Sondra way; a girl.

To Karl and Anna Burkey, 3200 Cadillac dr.; a boy.

APPEARING at Frontier Village this Saturday and Sunday, Nov. 5 and 6, will be the "Vaudville '77" troupe from the Sally Frazier Dance Studio in Campbell. The dance company will perform at 1:30 and 3 p.m. both days in the outdoor theatre.

NOTICE OF ADVANCED MATURITY CITY OF CAMPBELL LOCAL IMPROVEMENT DISTRICT NO. 11 BOND SERIES 1968-1 RESOLUTION OF INTENTION NO. 1704 ADOPTED JULY 13, 1964

TO WHOM IT MAY CONCERN, holders or owners of the bonds listed below issued to represent unpaid assessments in the Local Improvement District No. 11:

Bond No.	Denomination	Date of Maturity
91	$1,000	July 2, 1979
100	1,000	July 2, 1980
109	1,000	July 2, 1981
117	1,000	July 2, 1982
118	1,000	July 2, 1982
126	1,000	July 2, 1983
127	1,000	July 2, 1983

NOTICE IS HEREBY GIVEN that the Treasurer of the City of Campbell has advanced the maturity on the foregoing bonds to January 2, 1978.

You are further notified that you may, prior to the date of advanced maturity, surrender said bonds and receive the principal and interest thereon to the date of payment together with the premium thereon equal to 5 percent of the principal. If the bonds have not been sooner surrendered on the date herein fixed for advanced maturity, there will be set aside to your credit the amount of the principal and accrued interest then due on the bonds together with a premium of 5 percent of the principal, and the bonds shall then be deemed to have matured and interest shall cease to accrue on the bonds. The amount so set aside will be paid to the holders or owners of the bonds upon demand and upon the surrender and cancellation of the bonds.

NOTICE OF ADVANCED MATURITY CITY OF CAMPBELL LOCAL IMPROVEMENT DISTRICT NO. 22 BOND SERIES 1972-1 RESOLUTION OF INTENTION NO. 2981 ADOPTED MARCH 8, 1971

TO WHOM IT MAY CONCERN, holders or owners of the bonds listed below issued to represent unpaid assessments in the Local Improvement District No. 22:

Bond No.	Denomination	Date of Maturity
12	$1,000	July 2, 1984

NOTICE IS HEREBY GIVEN that the Treasurer of the City of Campbell has advanced the maturity on the foregoing bonds to January 2, 1978.

You are further notified that you may, prior to the date of advanced maturity, surrender said bonds and receive the principal and interest thereon to the date of payment together with the premium thereon equal to 5 percent of the principal. If the bonds have not been sooner surrendered on the date herein fixed for advanced maturity, there will be set aside to your credit the amount of the principal and accrued interest then due on the bonds together with a premium of 5 percent of the principal, and the bonds shall then be deemed to have matured and interest shall cease to accrue on the bonds. The amount so set aside will be paid to the holders or owners of the bonds upon demand and upon the surrender and cancellation of the bonds.

/s/M. Madine Sargent
City Treasurer,
City of Campbell

Pub.:11-3,10-77 459CP

ORDINANCE NO. 1124

BEING AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF CAMPBELL ADOPTING PLANS, ELEVATIONS AND DEVELOPMENT SCHEDULE FOR THE PLANNED DEVELOPMENT ZONE ESTABLISHED BY ORDINANCE OF THE CITY OF CAMPBELL. (Application of Mr. Ira Ellison).

The City Council of the City of Campbell does ordain as follows:

SECTION ONE: That the Zoning Map of the City of Campbell is hereby changed and amended by adopting the attached "Exhibit A" entitled "Plans and Elevations," "Exhibit B" entitled "Development Schedule," and "Exhibit C" entitled "Map of Said Property." as per the application of Mr. Ira Ellison for approval of plans, elevations, and development schedule to allow construction of six townhouses and 2 condominiums, on property known as 507 West Rincon Avenue in a Planned Development Zoning District. Copies of said exhibits are on file in the office of the Planning Department.

Said approval subject to the following conditions:

Applicant to provide detailed fencing plan to be approved by the Planning Director.

Patio slab size to be limited to 96 square feet.

Second story design articulation to be carried around to the other three sides.

Food materials to be approved by the Planning Director.

Property to be fenced and landscaped as indicated and as added in "red" on plans.

Landscape plan indicating type of plant material, location of hose bibs, of sprinkler system and type of fencing to be submitted for approval of the Planning Director at time of application for building permit.

Landscaping shall be maintained in accordance with the approved landscape plan.

Faithful performance bond in the amount of $5,000 to be posted to insure landscaping, fencing and striping of parking area within three (3) months of completion of construction, or applicant may file written agreement to complete landscaping, fencing and striping of parking area prior to final Building Department clearance.

All mechanical equipment located on roofs shall be screened as approved by the Planning Director.

The Applicant is notified as part of this application that he is required to meet the following conditions in accordance with Ordinances of the City of Campbell.

All parking and driveway areas to be developed in compliance with Section 21.50 of the Campbell Municipal Code. All parking spaces to be provided with appropriate concrete curbs or bumper guards.

Underground utilities to be provided as required by Section 20.16.070 of the Campbell Municipal Code.

Plans submitted to the Building Department for plan check shall indicate clearly the location of all connections for underground utilities, including water, sewer, electric, telephone and television cables, etc.

Sign application to be submitted in accordance with provisions of the sign ordinance for all signs. No sign to be installed until application is approved and permit issued by the Building Department.

Ordinance No. 782 of the Campbell Municipal Code stipulates that any contract for the collection and disposal of refuse, garbage, wet garbage, and rubbish produced within the limits of the City of Campbell shall be made with Green Valley Disposal Company. This requirement applies to all single family dwellings, multiple apartment units, to all commercial, business, industrial, manufacturing, and construction establishments.

Trash container(s) of a size and quantity necessary to serve the development shall be located in area(s) approved by the Fire Department. Unless otherwise noted, enclosure(s) shall consist of a concrete floor surrounded by a solid wall or fence and have self-closing doors of a size specified by the Fire Department. All enclosures to be constructed at grade level.

Applicant shall meet State requirements for the handicapped.

PUBLIC WORKS DEPARTMENT

Process and file a tract map.

Pay storm drainage area fee.

Obtain excavation permit for driveway relocation and show the relocation on the building plans.

FIRE DEPARTMENT

Provide an on-site fire hydrant system, capable of delivering 1500 gallons per minute.

The applicant is notified that he shall comply with all applicable Codes or Ordinances of the City of Campbell which pertain to this development and are not herein specified.

PASSED AND ADOPTED this 24th day of October, 1977, by the following roll call vote:

AYES: Councilmen: Chamberlin, Doetsch, Hammer, Paul, Podgorsek

NOES: Councilmen: None

ABSENT: Councilmen: None

APPROVED:
William R. Podgorsek,
Mayor
ATTEST:
Phyllis O. Acker,
City Clerk

Safety not enough for DM

Last minute TD gives Dons 1st loop loss

By DICK SPARRER
Sports Editor

WHEN THE San Diego Chargers blasted in for a game winning touchdown with no time left on the clock last Sunday morning against Miami, there was at least one person in the vast viewing audience who knew exactly how Dolphin coach Don Shula was feeling.

Ron Leimbach must have known just how Shula felt when James Harris dove over the goalline to give the Chargers the come-from-behind victory in Florida, because almost the exact same thing had happened to his Del Mar Dons just two days earlier in the rugged West Valley Athletic League.

The Dons were touched for a score with just 18 seconds left to play against Leigh last Friday to drop a 6-2 decision to the Longhorns and fall from the ranks of the unbeaten in the WVAL.

Del Mar dropped from first place to third in the WVAL because of the loss. The loss left Del Mar with a 3-1 record in league play, leaving the Dons in a third place tie with Camden. Los Gatos leads the league with a 3-0 record and Leigh is a half game back at 4-1.

Del Mar will attempt to get back on the winning track this week when it faces a rough Westmont bunch in a 2:45 game on the Don field.

THE DON OFFENSE couldn't punch in a score against Leigh last Friday but that didn't stop Del Mar from leading for most of the second half.

The Dons made life miserable for Leigh punter Sherman Hickey in the third quarter.

Four plays into the second half Mark Robertson dropped Hickey for a 15 yard loss on an attempted punt to give the Dons the ball on the 19.

But on second down a Del Mar pass was intercepted in the endzone and Leigh took over at the 20.

It was just three plays later when the Longhorns had to punt again. And this time Del Mar's Larry Oreglia blocked Hickey's kick and Robertson recovered for the Dons at the Leigh nine.

A turnover cost Del Mar again though, the Dons fumbling on third down, and Leigh took over at the three.

But Leigh still couldn't manage a first down and Hickey had to punt from his own endzone. The Dons were on him again and Scott Evans blocked the kick out of the end of the endzone to give Del Mar a 2-0 lead with 3:34 left in the third.

It remained 2-0 until late in the fourth when Del Mar lost another fumble and Leigh took over at the Don 27. Eight plays later Rick McDiarmid crashed over from the two to score for Leigh with just 18 seconds left to give the Longhorns a 6-2 lead.

Del Mar came out throwing after the kick-off. Jeff Lane fired a bomb on first down intended for Dave Garcia but Clay Sayles came across the break up the play and save the touchdown.

LANE HIT Garcia for 13 yards to the Leigh 45 on DM's second play. But a third Lane pass was intercepted by Sayles and Leigh ran out the clock for the victory.

The Dons could pickup just 121 total yards in the loss, mainly because of eight costly turnovers. Del Mar quarterbacks were intercepted five times and Don running backs fumbled the ball away three more times.

Lane completed just two of 11 passes for 25 yards and was intercepted three times. Bruce Prothro hooked up on three of seven tosses for 33 yards and flipped a pair of interceptions.

Garcia caught four passes for 46 yards in the game and George Rodriguez pulled in one pass for 12 yards.

Del Mar did get some outstanding defensive performances in the game from Oreglia, Robertson, Bob Quadros, John Callaway and Greg Tardieu.

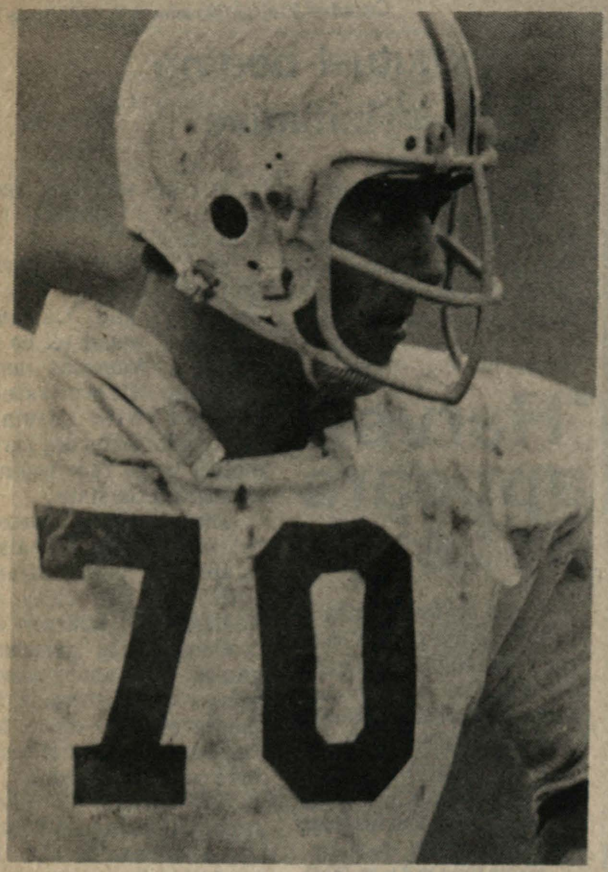
Callaway and Quadros were each in on 13 tackles in the game, Callaway once dropping a Longhorn for a loss of yardage. Oreglia came up with nine tackles and an intercewption to go with his blocked punt and Tradieu was in on eight stops, one behind the line of scrimmage.

Robertson got in on seven tackles in the game, three of them in the Leigh backfield.

Jim Slattery was in on six tackles and batted down a pair of passes at the line of scrimmage and Dave Venezio got in on four stops.

Callaway and Clifton Warren each recovered Leigh fumbles in the loss and Scott Sprecher sacked the Longhorn quarterback.

Warren, Bob Cure, Dave Hernandez and Garcia also were in on crucial tackles in the contest for the Dons.



DEFENSIVE TERROR — Del Mar's Larry Oreglia has been a defensive terror this season in the WVAL. Last week in Del Mar's 6-2 loss to Leigh, Oreglia was in on nine tackles, intercepted a pass and blocked a punt.

Non-league loss helps Vikes to league win

IT MAY SEEM strange, but a non-league loss helped the West Valley College women's field hockey team to a conference win last week on the Viking's Saratoga turf.

West Valley was upset 2-0 by Willow Glen high school last week but two days later came back to handle Sacramento City College in a Women's Intercollegiate Field Hockey League game.

"We were overconfident against Willow Glen," said West Valley coach Diane Tsutsumi after the loss to the prep team. "We'd been playing well up to that point and just got too overconfident. But I think that it sparked us for Sac City."

Jan Renna (Willow Glen) scored a goal and assisted Julie Glage (Westmont) on another to lead to Vikes to the 3-0 win over Sac City. Renna, Glage and Marcie Eddleman (Blackford) each scored in the victory for the Vikings.

Michele Miner (Branham), Jackie Hale (Los Gatos) and goalie Terri Beebee (Camden) all played well defensively for West Valley in the win.

Renna, Miner and Lori Howes (Willow Glen) were singled out by Tsutsumi for their efforts against Willow Glen.

The Vikings will host De Anza in a 3:30 p.m. game on Tuesday and will visit American River for a 3:30 p.m. game on Thursday.

STLL sets sign-ups

SIGN-UPS for the 1978 Santa Teresa Little League baseball season will be held Wednesday from 8 p.m. to 10 p.m. at Western Federal Savings at Bernal and Santa Teresa.

Boys and girls who will be between the ages of eight and 12 on July 31 are eligible and those who wish to play senior league, ages 13-15, should also sign-up at this time.

Players must be accompanied by a parent or guardian and a birth certificate must be provided for new players. The league also asks for a donation to support its activities.

Campbell, Camden girls big winners in WVAL

CAMPBELL WON three times in the gym and Camden won three times in the field in recent girls sports activity in the West Valley Athletic League.

Campbell picked up wins over Blackford, Leigh and Branham on the WVAL volleyball circuit while Camden was posting wins over Los Gatos, Prospect and Blackford in WVAL field hockey.

The Bucs handled the Braves 16-14, 15-8, the Longhorns 15-13, 15-2 and the Bruins 15-6, 15-3 to nail three WVAL victories. The Campbell junior varsity also won three matches, taking Blackford 16-14, 14-16, 15-8, Leigh 15-10, 17-15 and Branham 15-7, 15-8.

Westmont also came up with a pair of WVAL volleyball wins on both levels. The Warrior varsity blasted Camden 15-3, 15-11 and Los Gatos 15-10, 15-11, and the Westmont jv's took the Cougars 15-8, 11-15, 15-6 and the Wildcats 15-3, 15-7.

Blackford picked up a close 13-15, 15-13, 15-8 varsity win over Leigh in play last week.

Camden came up with a 3-1 win over Los Gatos, a 3-0 victory over Prospect and a rousing 6-0 triumph over Blackford to post three field hockey wins. On the jv level, Camden nipped Blackford 1-0 but fell to both of the other schools by identical 1-0 scores.

In other field hockey games, Branham shut-out Leigh 2-0 on the varsity level and Del Mar and Blackford fought to a 0-0 deadlock. In jv play, the Bruins stopped the Longhorns 2-1 and the Dons nudged the Braves 1-0.

In WVAL girls tennis action, Julie Sheehan of Del Mar knocked off Maureen Morris of Camden 10-6.

Wildcats tabbed to top Camden by four

THE WEST Valley Athletic League football championship will probably be on the line Friday afternoon when the Camden Cougars host the unbeaten Los Gatos Wildcats in a 2:45 p.m. crucial.

And when the contest is over, Los Gatos will be well on its way to the WVAL title with a four point victory, at least that's how the SUN football forecasters see it.

In other Friday action, Westmont treks to Del Mar, Branham visits Blackford and Prospect hosts Campbell in a trio of 2:45 p.m. contests. The winners should be Westmont by six, Branham by eight and Campbell by 18.

In non-league action Thursday, Leigh ventures to Cupertino high school for a 7:30 p.m. game. Cupertino should come away with a two point victory.

Cindergals romp to first

THERE MAY HAVE been three divisions at the girl's Pacific Association cross country championships last weekend, but there was just one champion — the San Jose Cindergals!

The Cindergals won everything there was to win at the meet in Millbrae that included all of the top junior women's teams from Northern California and parts of Nevada.

The Cindergals cruised to an easy win in the 14-18 age division behind Cherie Williams' individual victory.

Williams was the first placer on the 2.5 mile course at Mills high school, covering the distance in 14:24.

Vicky Bray was second at 14:29 with Roxanne Bier third at 14:43, Kerry Brogan fourth at 14:55, Ann Regan fifth at 14:58 and Marquita Belk sixth at 15:14.

"They won easily with a perfect score of 15," said Cindergal coach Augie Arbabright. "They could possibly be the best cross country team in the nation in their age group."

THE SAN JOSE 10-11 age level team also came up winners even though Redding's Kim Carter finished first at 9:09 on the 1.5 mile course.

ANDREA HEINBACKER of the Cindergals was second at 9:10 with Michele Miller third at 9:13, Pauline Vasquez fourth at 9:14, Kathleen Bonnat sixth at 9:16 and Sharon Yaninek 11th at 9:24.

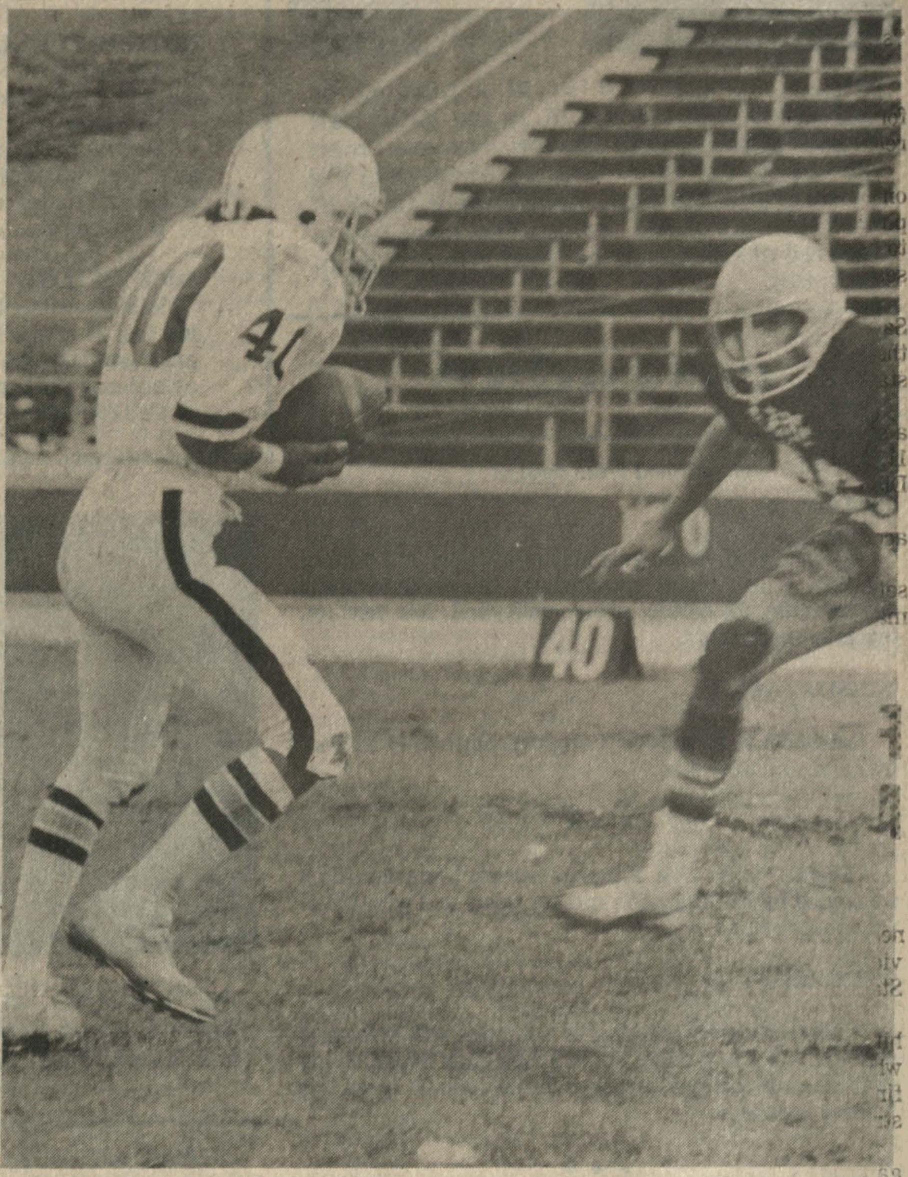
"It looks like on the national level we could win on both the 14-18 and 10-11 levels, or at least finish very high," admitted Argabright.

San Jose's 12-13 team also finished first at Millbrae behind Cathy Demmelmaier's individual win on the 2.0 mile course. Demmelmaier was first at 12:02 with Chris Manning of Orinda a close second at 12:03.

Cindergal Maria King was third at 12:05 with Tracy Weber fourth at 12:06, Karen Devine fifth at 12:10 and Patty Surmeier 12th at 13:01.

The Cindergals will go after the state title on Sunday, Nov. 13, in San Bernardino.

sports



CLUTCH CATCH — Del Mar receiver Dave Garcia makes a clutch catch in last week's 6-2 loss to the Leigh Longhorns. Garcia caught four passes on the day for 46 yards.

(Photography by Dick Sparrer)

BIG BLOCK — Scott Evans comes up with a big blocked punt in last week's game against Leigh. The block resulted in a safety, which turned out to be Del Mar's lone points in a heartbreaking 6-2 loss.

Field leads Don harriers to pair of WVAL wins

JOHN FIELD finished first to lead the Del Mar high school cross country team to a pair of easy victories last week in the West Valley Athletic League.

Field was the individual winner at 11:09 to lead the Dons past Branham 15-50 and by Camden. Del Mar knocked off the Cougars by forfeit.

The same day, Matt McConnville finished first at 11:48 for Del Mar in the sophomore division and Cathy Powell was first for the Dons in the girl's class at 14:18.

A week earlier, the Dons cruised to a 20-43 win over Blackford despite an individual win by Erin Flore of the Braves at 10:54.

McConville led the Don junior varsity to a 15-50 win over Blackford with an 11:51 and an individual first and Powell was first at 14:28 but the Don girls lost 23-35 to the Braves.

Ken Buron was first for Blackford at 11:54 to lead the Brave sophomores to an 18-40 win and Cameron Fairbanks was first for Del Mar 12:23 but the Don freshmen lost 23-34 to Blackford.

Prospect was a loser on all four boy's levels against Leigh but picked up a forfeit victory in the girl's division. The Panthers lost 16-39 to the Leigh varsity, 20-35 to the Longhorn jv's, 17-39 to the Leigh sophs and 15-48 to the Leigh frosh.

Fitzpatrick no Snoopy, but still an ace

OF COURSE we all remember when the famous Snoopy of "Peanuts" fame snapped on his goggles and took off on his doghouse chasing the Red Baron as a World War I flying ace.

Well, Margo Fitzpatrick of the West Valley College women's volleyball team had something in common with little Snoopy last Friday night.

She wasn't flying off in the sunset after the cursed Red Baron, but she was an ace on the volleyball court for Viking spikers!

Fitzpatrick drilled seven aces against Diablo Valley College last Friday night to lead the Vikes to an 11-15, 15-13, 15-5, 15-4 Women's Intercollegiate Volleyball League win on the DVC court.

"She was definitely the player of the night for us," said Viking coach Claudine Simpson of Fitzpatrick.

Along with her seven aces, Fitzpatrick had nine other serves that were returned, but not as part of an offensive play for Diablo Valley, giving West Valley a definite edge.

Pam Goldsborough (Willow Glen) also played well for West Valley coming back from a finger injury.

"I don't think that there's any doubt that we need her on the floor," said Simpson of Goldsborough. "She has outstanding blocking and hitting sense and her experience is invaluable."

Diane Rodrigues (Camden) played well, including a "strong fourth game."

THE WIN LEFT West Valley tied with San Francisco for third place in the conference, both clubs boasting 6-3 records.

West Valley will visit San Francisco for a 4 p.m. battle on Friday after hosting Chabot on Wednesday in a 7:30 p.m. match in Saratoga. West Valley beat Chabot and lost to San Francisco in the first round of the conference season.

De Anza leads the conference with a perfect record and San Mateo is second. De Anza is currently ranked sixth in the state. West Valley was honorably mentioned in the state poll, giving the Vikes a spot in the state's top 20.

West Valley, without the injured Goldsborough, fell to a strong Monterey Peninsula College team 15-4, 12-15, 15-11, 15-9 in a non-league match the day before meeting Diablo Valley.

Rodrigues played her "best match yet this season," according to Simpson, in the loss to Monterey.

"Monterey was a very good team with a couple of fine setters," said the Vike coach. "It was the second best match I've seen this year."

FORMER BUCS — Margo Fitzpatrick (left) and Nancy O'Connell, a pair of Campbell high school graduates, are currently standouts on the West Valley College women's volleyball team. Fitzpatrick has served seven aces this year.

Rainbows topple Milpitas-Ayer

TOM BELL and Jeff Blobaum combined to throw a neat four hit shut-out to lift the Del Mar Rainbows to a 1-0 victory over Ayer-Milpitas last Sunday afternoon at PAL Stadium in a PAL Winter League baseball contest.

Bell hurled the first five innings, allowing just three hits while walking none and striking out three. Blobaum, who picked up his sixth win in seven decisions, tossed the final four frames, giving up only an infield single. He struck out seven.

The Rainbows pushed across the winning run of the game in the bottom of the ninth. With one out, Bell singled sharply to left. After the next batter fanned, Bell stole second.

Dan McKay then drove a one-two pitch into left field to score Bell with the game winner.

Del Mar's only other hits in the game were singles by Scott Lavander, Sean Venenzia and Blobaum.

The Rainbows, who improved their record to 10-3, travel to Overfelt high school Sunday for a twinbill with league leading Overfelt. The first game is slated to start at 11 a.m. with the second game set for 1 p.m.

NFL on radio

THE ST. LOUIS Cardinals visit the Minnesota Vikings Sunday afternoon in an important National Football Conference contest that will be broadcast over KXRX radio beginning at 12:45 p.m.

Monday night's game between the Washington Redskins and Baltimore Colts in Baltimore will also be aired over KXRX radio beginning at 5:45 p.m.

Five goals stand up for Viking boot wins and tie

WHEN IT COMES to protecting their goal on the soccer field, the West Valley College Vikings have been playing as well as any team in the Golden Gate Conference this season.

But, when the ball rolls to the other end of the field, those same Vikings have been running into trouble trying to put it away!

The Vikings have managed just five goals in their last three games, but still have made them stand up for two wins and a tie.

West Valley nipped Cabot 1-0, shut-out San Jose 3-0 and tied Canada 1-1 in their last three GGC outings.

"We've been playing very well defensively," said Viking coach Dick Schwendinger. "We've allowed only two goals in three games. But we haven't been as productive offensively as I thought we would."

"We've been in trouble the whole year in terms of injuries," added the coach. "this is the worst year we've ever had with that. We had seven of 17 players injured going into last week's games."

The Vikings are 5-4-2 in conference play this season and need a good showing in their final three GGC games to win a berth in the season ending Shaughnessy playoffs.

"We have a chance of making the playoffs, but the tie didn't do us any good," admitted Schwendinger.

The Vikings will visit De Anza for a 2:45 p.m. game on Tuesday, Nov. 1, and will host Foothill on Thursday at 2:45 p.m. on Thursday. The Vikes close out the regular GGC season the following Tuesday in Saratoga against San Francisco City College.

WEST VALLEY lost to all three of the teams in the first round of the season, losing to both the Dons and Owls by 3-2 scores and to SFCC 2-0.

Fullbacks Mark Tomlin and Mike Score (Prospect) have been leading the Viking defensive charge of late along with goalie Craig Walker (Del Mar).

Bob Oei (Leland) has been "Playing well in the middle of the field," according to Schwendinger, and Ruben Viva (Saratoga) was also singled out by the coach. "Those two have been coming on strong."

Schwendinger added that Shane Brereton (Leigh) has been "playing with a lot of determination."

It was a rolling ball that took a strange hop over the waiting hands of Walker that cost West Valley a win against Canada last week. The second half goal for the Colts tied the score at 1-1 and that's how things finished.

"It's just been that kind of year for us," said Schwendinger, referring to the strange Canada goal.

Dave Escobar (Saratoga) scored West Valley's lone goal in the victory midway through the first half.

West Valley had a relatively easy time against San Jose two days before, knocking off the Bulldogs 3-0.

Brereton scored in the first half and Escobar and Score added second half goals to lead the Vikings to the victory.

It was a lone goal by Joe Gallegos (Westmont) lifted West Valley to a 1-0 victory over Chabot on Oct. 18.

Santa Clara hockey teams tough to beat anywhere

FOR SOME TEAMS, it's something special for them to take on an opponent in their home arena.

The UCLA Bruins are virtually unbeatable on their home basketball court in Pauley Pavilion and the Fighting Irish of Notre Dame are nearly unstoppable on their home football field in Southbend!

Some teams can pick up that extra edge when they have that home field advantage.

Well, the teams of the Santa Clara Valley Junior Hockey Club don't seem to be too concerned about any home field, rather, home ice advantage when they glide out onto the rink for a hockey game.

They don't play much different on their home surface at the Eastridge Ice Arena than they do when they hit the road — they can win anywhere!

And that was certainly true for the Santa Clara teams in recent ice hockey activity on the rinks of Northern California. The locals won at home, and they won on the road!

Santa Clara teams walked off with a pair of home victories and also won a pair of games on the road in Santa Rosa.

THE SANTA CLARA AA Pee Wees rolled to an impressive 9-1 victory over Santa Rosa last week on the SR ice. Rick Pitta came up with a hat track, scoring three goals, to lead the Pee Wees to the victory.

Brandon Weiss, Mike Powers, Bob Ringo, Ken Birdsall, Ross Bergman and Brad Cohen also scored a goal apiece in the victory. Andy Buchanan and John Blue combined forces in the goal to help Santa Clara to the win.

John Shaw stopped 15 enemy shots to secure a shut-out in the cage and lead the Santa Clara AA Midgets to a close 1-0 victory over Santa Rosa on the loser's ice. Mark Burgess drilled the lone goal for the winners.

On the home front, the Santa Clara AA Bantams handled Sun Valley 5-1 and the AA Squirts nipped Santa Rosa 4-3 in games on the Eastridge ice.

Scott Herbert notched a hat trick and Greg Powers and Joe Kellerman added solo goals to pace the local AA Bantams to the victory. John McCalley turned away 31 enemy shots to help Santa Clara ice the win.

Jeff Harbold and Darin Scott each scored two goals to lead the AA Squirts to the 4-3 win over SR. Jim Foge, although touched for three goals, stopped 33 Santa Rosa shots on the night to lead the locals to the victory. San Jose had a total of 33 shots on goal compared to 36 for Santa Rosa.

Killroy home runs deal Bearcat humbling loss

KILLROY muscled up and hit five home runs to crush Bearcat Construction 22-0 and highlight play in the Campbell Winter softball league.

Bombing home runs for the winners were Tim Woodside, Terry McConville, Pete Delegae, Herb Dallas and Dennis Wright.

Woodside also clubbed a pair of doubles while McConville and Kevin Cravey added solo two baggers.

McConville hurled the win, allowing just one hit and striking out two.

Killroy also pulled out a close 8-7 decision over the No Names. Steve Haas and Cravey both belted doubles for the winners while Tim McConville flipped the win.

Robin Wibeto and Rick Stasi hammered homers for the losers. Wibeto also doubled.

The Red Barons and Atari also walked away with a pair of victories each recently.

The Barons clobbered the New York Lifers 23-8 and tripped the Money Changers 10-3.

Rich Sanchez and Ron Coleman both clouted homers for the Barons in their win over the Lifers. Pete Salazar ripped a triple.

Jess Salazar and Marc Salazar both drilled two doubles and Coleman and Dave Salazar each hit one for the Barons, who pounded out 28 hits in all.

Against the Money Changers, M. Salazar and Jess Salazar both doubled and tripled to key the win. Randy Armer, John Salazar and Coleman all ripped doubles.

Ken Gilson homered and Terry Wallberg tripled for the Money Changers.

Atari, meanwhile, whipped the Clowns 16-10 and pounded the Money Changers 11-4.

Eugene Breaux homered against the Clowns while Terry Fletcher and Leonard Andrade both lashed doubles. Rod Zawalski homered and Harold Patton doubled for the Clowns.

Rick McDowell homered, Randy Sollars and Don Miller tripled, and Jim Fletcher and Andrade both doubled to pace Atari past the Money Changers.

Dave Davies doubled twice for the Changers. Dennis Anderson, Dan Jackson and Gilson all doubled once.

In other games, the New York Lifers edged the No Names 13-12 and Bearcat Construction crushed the Clowns 12-4.

Rick Utermohlen and Robert Gerdin smacked HR's in the Lifers' win over the No Names. Ken Herrera and Webito unloaded homers for the losers.

Jess Piffirinni homered to lead Bearcat to its win. Rick Mollicone and Rick Kaefer both doubled.

Braves top Prospect to snap loss skein

BOTH THE Blackford Braves and Prospect Panthers took extended losing streaks into last Friday afternoon's West Valley Athletic League encounter at Blackford high school.

But when the game was finished only the Panthers still had their dismal streak intact. While the Braves were snapping a five game losing streak with a 22-7 win, the Panthers were slowly sinking to their seventh straight defeat of the season.

The Braves, who hadn't won since beating San Lorenzo Valley 34-0 on opening day, received a brilliant performance from quarterback Mike DelaPena in last week's win, which enabled Blackford to escape the confines of the WVAL cellar.

DelaPena completed 14 of 28 passes for 178 yards and two touchdowns. He also ran for a TD and tossed a two point conversion pass.

"He's really come on and done a job for us," praised Blackford head coach Mike Spitzer.

DelaPena, who ran five yards for a first quarter touchdown, fired touchdown passes to Brian Fox and Rich Andelin to spark the Brave victory.

DelaPena's TD run had given the Braves a 6-0 lead heading into the second period.

But the Panthers retaliated with a three yard touchdown run by Tom Morgan. Dave Angerole's extra point kick gave Prospect a shortlived 7-6 lead.

THE BRAVES regained the lead before the end of the first half on a two yard pass from DelaPena to Fox. Ty Thurston then hit Guy Gandenberger with a pass for the two point conversion.

The Braves scored again in the third period on a 12 yard TD hook-up between DelaPena and Andelin. Gandenberger again caught a two point pass, this time from DelaPena.

"We played extremely well," said Spitzer. "We controlled the ball and had field position the whole game."

While DelaPena stole the spotlight with his passing, the Braves had other fine performances turned in by Thurston, who rushed for over 90 yards, Gandenberger, who caught four passes for 64 yards, and Andelin, who caught a pair of passes and rushed for 25 yards.

Spitzer praised the offensive line for its blocking in the win, singling out center Paul Apodaca, guards Brad Saterfield and Al Lindsey, and tackles John Rossi and Gary Morton.

DEFENSIVE standouts in the win included Saterfield, Scott Hall and Dean Lingbeck.

"Defense is where we really did a good job," said Spitzer.

Morgan, meanwhile, was one of the few bright spots for the Panthers, both offensively and defensively. The Panther back carried the ball 13 times for 65 yards in addition to scoring their lone touchdown.

Prospect head coach Earl Adams singled out Stuart McCammon and Kevin Balsan in the offesive line and Alan Crownover on defense. Crownover, a linebacker, recorded eight tackles and five assists.

Ryan elected Pony-Colt prexy for '78 season

GEORGE Ryan, newly elected president of the Campbell-Moreland Pony-Colt League, listed "the upgrading of the baseball program on the field" as one of his prime objectives as he takes office.

Ryan, a former officer and coach in the program, alluded not only to the improvement of coaching conditions but added emphasis to the overall personal development of each boy.

At the recent gathering of parents and boosters who attended the annual election of officers, Ryan cited the achievements of the three presidential predecessors who were in attendance.

They included Rich Barry (now a district Pony League director), whose tenure concentrated on the early and successful development of the league structure; Ray Knight, who helped mold an effective working agreement with the City of Campbell, and the immediate past president, Ray Jones, who was primarily responsible for placing the league in its most financially solvent position in years.

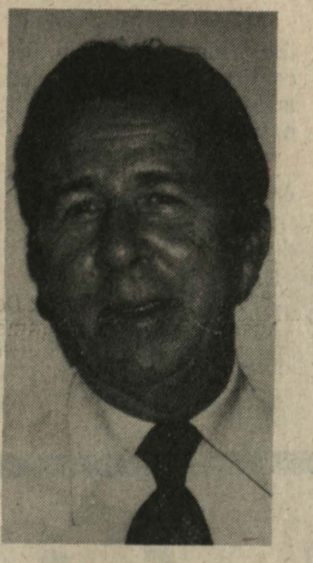
Ryan elaborated that now that the league's solidity is evident, more time can be spent in administrative attention to the "needs of the individual boy."

"Let's discuss how we can provide each boy in our league a better deal," he said, "both from a coaching and psychological standpoint. I'm sure there is much room for an improvement. Each of my predecessors had his main goal and accomplished it. This will be mine."

Ryan has two sons, Mark and Pat, who have played Pony-Colt and are now members of the Thorobred program.

Other newly elected officers include Bob Hughes, Pony vice president; Roy Leishman, secretary; Harry Emmett, treasurer, and P. H. Kephart, player agent.

Jack Wade was reelected to the C/M Board of Trustees, which also includes Joe McGrody, Rich Barry, John Bojorquez and Ray Jones.



NEW PREXY — George Ryan is the newly elected president of the Campbell-Moreland Pony-Colt League for the 1978 baseball season.

YBA sign-ups

SIGN-UPS for the 1977 YBA youth basketball season will be held on Wednesday, Nov. 16, at 7:30 p.m. at Prospect high school. Information on the league will be available that night.

Westmont nips Campbell 8-6

Elson tackle keeps Warriors in race

"LOS GATOS is definitely in the driver's seat," readily admits Westmont head football coach Don Stagnaro.

But thanks to defensive end Rich Elson, the Warriors still have faint hopes of somehow winning the West Valley Athletic League championship this season.

Elson tackled a Campbell runningback in the Bucs' endzone last Friday in the closing minutes of the game for a safety, giving the Warriors an exciting 8-6 come-from-behind victory over the visitors.

"It was a great game," said Campbell head coach Al Matthews. "It was just a matter of who was going to get the big break."

As it turned out, the Warriors got the game's big break on Elson's tremendous play.

But only moments before the Bucs had apparently turned the game around in their favor following a brilliant goalline stand.

The Warriors, who earlier in the period had tied the game 6-6, were driving towards an apparent go ahead touchdown. The drive reached the Campbell six inch line, where Westmont had a first and goal-to-go situation.

But the Warriors tried four times to get into the Campbell endzone and four times they were denied.

"THAT WAS the best goalline stand I've ever seen in high school," said Matthews, who singled out Rich Kiss, Steve Aimonetti, Glen Gray, Lee Egger, Dan Raines, Dan Rozewicz and Pat Ryan for their parts in the stand.

But the goalline stand went for naught on Campbell's first play when Elson knifed through the line to make his game winning tackle.

Campbell didin't give up, however, and recovered an onside kick following the safety.

The Bucs proceeded to drive deep into Westmont territory before sophomore cornerback Tom Devlin came up with a game saving interception at the Westmont five yard line.

"This keeps us in there, pretty much," said Stagnaro of his club's chances for the WVAL championship. "We have to win the rest of our games, though. Los Gatos is definitely in the driver's seat."

"The kids could really hold their heads high after this one," said Matthews, in praise of his vanquished Buccaneers. "They just did a super job. I felt they deserved to win."

The Bucs had led through out the contest after scoring in the first quarter on a 22 yard touchdown run by Eric Harris. But Westmont came back to tie the game with seven minutes left in the contest on a six yard pass from Scott Ruiz to Greg Athearn, capping a 60 yard drive.

KEY PLAYS on the drive for Westmont included Ruiz pass completes to Steve Nuich for 25 yards and Athearn for 14 yards, and runs of nine and 13 yards by Athearn.

Ruiz was seven for 14 on the day for 108 yards. Athearn, who caught for passes for 55 yards, toted the ball 16 times for 83 yards.

"They controlled the ball at the start," said Stagnaro. "But starting in the second quarter we pretty much shut them down."

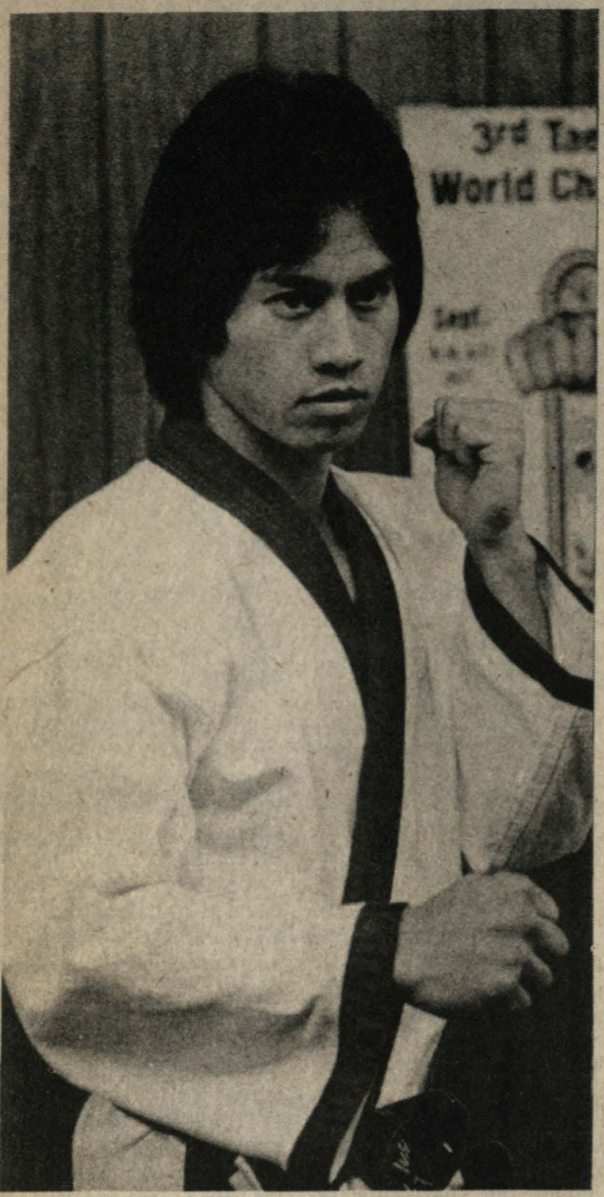
Stagnaro singled out Elson, Bill Stouffer, Mike O'Day, Greg Gorman, Tom Grady and Devlin for their work on defense.

The Westmont boss also had words of praise for offensive linemen Stouffer, O'Day, Shane Truan and Mike Bossoi.

"We knew it would be a real physical game and knew it would be a struggle," said Stagnaro. "We're just happy with the win."

Dan Trainidad had a fine day passing for the Bucs, completing eight of 15 passes for 98 yards. Harris carried the ball 17 times for 68 yards.

Westmont travels to Del Mar Friday and Campbell treks to Prospect for a pair of 2:45 p.m. contests.



BRONZE MEDALIST — Campbell's Ernie Reyes was a bronze medalist recently in Chicago during the Tae Kwan Do Championships. Reyes has been competing in tournaments for only one year.

Reyes nabs bronze medal in Chicago

WHEN ERNIE REYES of Campbell makes the claim that he's one of the world's finest at what he does best, he doesn't get many arguments — and for two good reasons!

The first reason is the most obvious, because what Reyes does best is compete in the dangerous martial art of Tae Kwan Do. And the second reason no one can argue his claim is that he's got a bronze medal to prove it!

Reyes was representing the United States in the competition that included athletes from 50 different nations.

Korea dominated championships by winning title in seven of the eight divisions.

Reyes won four of his five bouts in the competition to finish third in his division in just his first year of competitive combat.

WVC gridders fall to Jaguars 24-7

Vikings chasing CCSF, 1st win on Saturday

THE WEST VALLEY College football team will find itself chasing two different things on Saturday afternoon in San Francisco — the speedy City College of San Francisco running backs and its first Golden Gate Conference victory of 1977.

The Vikings will head north on Saturday to visit CCSF for a 1 p.m. game in the "City by the Bay". The Vikes are 0-5 in the GGC heading into the game, following a 24-7 loss last Saturday to San Jose City College.

San Francisco lost last Friday 36-24 to De Anza and is 2-3 in conference play going into the battle. CCSF is 3-4 overall on the year.

"We'll have to control their speed," said Viking head coach John Nicholas of San Francisco, a 14-13 winner over Foothill and a 24-23 winner over San Mateo. "Potentially they're as fast as Laney."

"Their quarterback is a dangerous runner," added Nicholas. "He's quick and elusive."

The Vikings are coming off a 24-7 loss to San Jose that was actually closer than the final score would indicate.

THE VIKES LED at one point 7-6 and trailed just 12-7 at the half. San Jose scored in the third period to make it 18-7 and then scored its final touchdown late in the fourth.

The two clubs had fought to a 0-0 tie in the first period before Tom Sheppard (Silver Creek) broke loose on an 81 yard touchdown run in the second stanza for San Jose.

The ensuing kick-off flew into the endzone and West Valley took over at its own 20 trailing 6-0. The Vikings took off on an 80 yard drive to take over the lead.

Quin Cordero (Peterson) rambled for 16 yards and Bill Tantillo (Branham) hit Bryan Axt (Leigh) on a 32 yard pass play to set up a 15 yard toss from Tantillo to Ramon Johnson (Camden) for the touchdown with 9:04 left in the half. Alex Roth (Leigh) booted the extra point to give West Valley the 7-6 lead.

But San Jose came back with another touchdown before intermission and scored in both of the last two periods to put the game on ice.

Tantillo was 12 for 23 for 164 yards and one touchdown in the game for West Valley. He was intercepted once. Marty Maiers (Leigh) completed two of nine tosses for 10 yards and Kelly Pierson hooked up on one of four for seven yards.

JOHNSON PULLED down five aerials for 67 yards and Axt caught four passes for 57 yards in the game. Tracy Wilson (Branham) snagged three tosses for 23 yards, Jeff Kahn (Mitty) caught two for 24 yards and Rocky Pena (Westmont) pulled in one for 10 yards.

Duran Evans led the Valley ground attack with 29 yards on seven carries and Wilson picked up 28 yards on eight tries. Warren Lopez (Leigh) carried five times for 22 yards.

"Our whole offensive line played much better than it has all year," said Nicholas in praise of the men up front. "They did a lot better job of blocking."

"We played very well at times and moved the ball well in the first half," said Nicholas, adding, though, that the Vikings lost three fumbles in the first period. "The defense played well as a unit. San Jose is going to get some yards. We gave up over 400 but if we had moved the ball better in the second half we wouldn't have given up so much."

Steve Cusella (Camden) picked off a pass in the battle for West Valley and Jeff McNaughton (Santa Clara) recovered a fumble.

Kahn turned in a good game with his right foot, punting the football six times for an impressive 41.0 per kick average.

Viking fencers home Saturday

THE WEST VALLEY College men's and women's fencing teams will entertain Merritt and San Jose City Colleges in intercollegiate action on Saturday, Nov. 5, at 9:30 a.m. at the Vikings's Saratoga home.

Depth helps Vikings to GGC harrier title

By DICK SPARRER
SPORTS EDITOR

ONLY A TEAM'S first five runners count in the scoring when it comes time to add up the points in a cross country meet. But team depth is still very important.

And the West Valley College cross country team proved just how important depth can be when the Vikings nailed a pair of victories last Friday afternoon to walk off with the Golden Gate Conference championship.

West Valley nipped San Mateo 28-29 and handled San Jose 23-32 to finish a perfect 9-0 GGC season to walk off with the title. West Valley is now 63-3 in dual meets over the past eight years and has won seven conference titles over that span.

Four Vikings finished in the top 10 and West Valley's fifth finisher was 13th, but it was WVC's sixth and seventh finishers who actually sparked the Viking team wins, even though they accounted for no points.

West Valley's sixth man, Ray Russell (Blackford), and seventh man, Larry Bergkamp (Leigh), each finished ahead of San Mateo's number five runner to displace enough points to allow the Vikings to pull out the win over the Bulldogs.

"A lot of times people don't understand the scoring in cross country and think it's just an individual sport," said West Valley coach Bill Campbell. "But that's not true — it's a team effort. And we certainly had an overall team effort last Friday."

"THE SIXTH and seventh runners don't count in the scoring but they can still displace runners," added Campbell. "And last week Russell and Bergkamp did that by finishing ahead of San Mateo's fifth runner. That was the difference."

"The race was one of the best I've ever seen," said the Viking boss. "It was definitely one of the most exciting races I've seen. We didn't even know the score until long after the race was over."

West Valley women run to conference crown

WE'VE GOT a good chance to finish as one of the three teams in the state," said a happy Augie Argabright just after his West Valley College women's cross country team romped to the first ever women's Golden Gate Conference championship.

The Vikings outran San Mateo 17-45 and won by forfeit over San Jose last Friday afternoon to finish the GGC year with a 9-0 record and on top of the heap.

With the conference title already in their pocket, West Valley will now look to the Northern California meet, set for Nov. 12 at Sierra College in Rocklin, before moving on to the state meet on Nov. 19 at Sierra.

One of the state's top individuals, Ann Ann Wotherspoon (Los Altos), paced West Valley to the easy win over San Mateo last Friday. The fine Viking runner covered the Coyote Hills course in 16:28 to finish 53 seconds ahead of her nearest competition.

Kathy Perkins (Leigh) finished second for the Vikings and third in the race behind San Jose's Sue Munday (Lincoln). Munday was second at 17:21 with Perkins third at 17:41.

Turkey tourney

THE CAMPBELL Community Service department will hold a co-ed Volleyball Turkey Tourney Sunday, Nov. 13, for "B" and "C" division competitors.

The entry fee for the tournament is $10 per team, which includes a full day of volleyball competition, trophies and a turkey for first and second place teams.

Registration is on a first come, first serve basis. For further information call 378-8141, ext. 252.

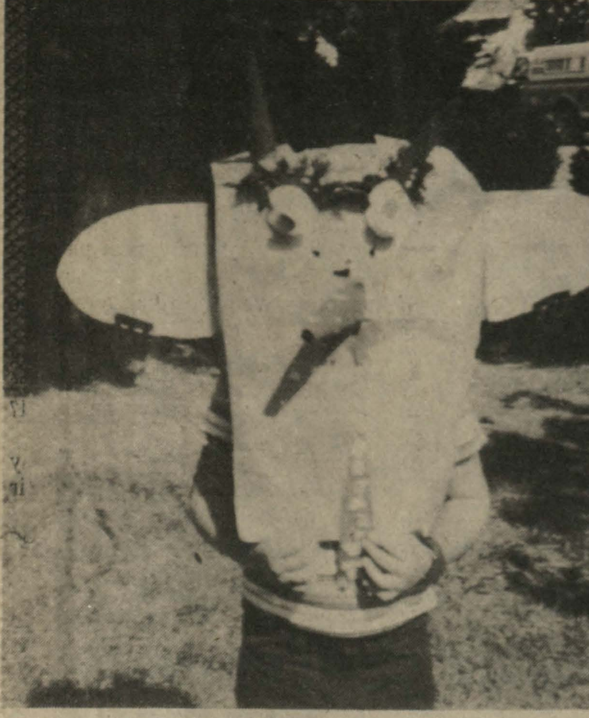
CONTEST WINNERS

Eight local youngsters came up winners in the recent Mask Making Contest at Kirkwood Plaza shopping center.



A winner again in the Kirkwood Plaza mask making contest was Bonnie Jean Mimosa-Stuart. The Bucknall School student took top honors in the seven through nine age group, the third year she's won.

5-6 Age Group: Demetrious Shaffer, first; Tricia Sanders, second; and John and Rickey Souza, third.

7-8-9 Age Group: Bobbie Jean Mimosa-Stuart, first; Dina Levy, second; and Pam Evans, third.

10-11-12 Age Group: Tim Downs, first and Danelle Evans, second (no third place winner).

TOWNSEND SHOW

Local artist Grace Townsend's serigraphs on foil and glass will be on display at the El Gatito Gallery, 123 W. Main st., Los Gatos starting this weekend.

A evening reception is planned for Friday, Nov. 4 from 6 to 8 p.m. at the gallery.

Grace teaches classes for Cambrian Community Center and recently had a show at the Campbell library.

RIDDLE'S IN CHINA

Larry Riddle, 223 Peter dr., is studying at the CSUC Study Center, National Chengchi University in the Republic of China this year through the state-wide international study program.

The local student, who'll receive credit through San Francisco state university, was one of 351 students throughout the state selected for the program.

International Program students must maintain a 2.5 minimum grade point average, meet language requirements and be able to adapt to new environments.

PERRY'S A WINNER

Ken Perry, drum major for the Campbell High School marching band, came in first place in the Columbus Day Parade in San Francisco last month.

This is the high school junior's second year as drum major.

HOSTING a visit from the Grand Master of California recently were members of the Morning Light Odd Fellows Lodge 42 of Campbell. Grant Master Clarence Parent of Arcata is shown above kneeling at right. The meeting featured recognition of "old timers" of the Lodge and their combined years of membership totaling 1,947. Brother Robert Schultz, second from left standing, received his 65 year jewel pin. Also honored that night was Brother Clarence Quick of the IOOF Home in Saratoga (fourth from right standing) for his years of service to the organization.
